Section 1.01. *Lease of exclusive space in Terminal Building.* City leases to Airline and grants to Airline, its employees, agents, passengers, guests, patrons and invitees, the exclusive use of the following premises, improvements and facilities located at the Airport in the Terminal Building as shown on drawings Chicago Midway Airport Area Assignment, revised ...., (hereinafter referred to as "Area Assignment Drawings"), on file in the office at the Department of Aviation, City of Chicago, (copies of which have been furnished to Airline), and as shown below.

(a) An aggregate of 15,766 square feet of space which space is hereinafter referred to as "Airline's Operations Area";

(b) An aggregate of 9,618 square feet of space, which space is hereinafter referred to as "Airline's Hold Area";

The premises (including improvements and facilities therein) in the Terminal Building leased to Airline hereunder is hereinafter referred to as "Airline Terminal Building Space".

Section 1.02. *Use of space.* The use by Airline, its employees, agents, passengers, guests, patrons and invitees of Airline's Terminal Building Space shall include the use thereof for the following purposes:

(a) the maintenance and operation, in connection with the conduct by Airline of air transportation, of ticketing and passenger and baggage handling facilities and reservation offices;

(b) the training of personnel in the employ of or under the direction of Airline;

(c) the maintenance and operation of facilities and equipment and the carrying on of activities reasonably necessary or convenient in connection with the foregoing, including, without limitation, the furnishing of beverages in customer relation facilities; provided, however, that unless the Commissioner of Aviation shall otherwise consent, no charge shall be made by Airline for beverages furnished by it in customer relation facilities; and

(d) the carrying on of other operations and activities reasonably necessary or convenient to the conduct by Airline of air transportation; provided, however, that all such other operations and activities shall be subject to the approval of the Commissioner of Aviation.

The foregoing shall not permit the use of Airline's Terminal Building Space for the sale of air travel insurance (excepting foreign air travel insurance, if such insurance is not otherwise available in the Terminal Building) or public restaurants or merchandising operations, or the conduct of any business separate from Airline's operation of an air transportation system.

The use by Airline, its employees, agents, passengers, guests, patrons and invitees of passenger ramp areas shall include the exercise of all rights and privileges thereon and with respect thereto which are granted to Airline under the Airport Use Agreement on and with respect for the passenger ramp areas at the Airport available for common use. The use of passenger ramp areas shall be subject to rules and regulations promulgated by City but shall be free of any charge for parking of aircraft.

Section 1.03. *Terminal Building Public Facilities.* City grants to Airline, its employees, agents, passengers, guests, patrons and invitees, and its or their suppliers of materials and furnishers of service, the right to use in common with others, subject to rules and regulations promulgated by City all space, improvements, facilities, equipment and services (hereinafter referred to as the "Terminal Building Public Facilities"), now or hereafter provided by City for public use at or in connection with the Terminal Building, including, without limitation, public passenger walkways, public passenger loading facilities, public lobbies, public lounges, public waiting rooms, public hallways, stairways and escalators, public rest rooms and other public conveniences.

Section 1.04. *Substitution of space; Additional space.* Airline and City may from time to time agree upon the substitution of space in the Terminal Building for all or any part of Airline's Exclusive Terminal Building Space then leased hereunder.

In the event of surrender of any of Airline's Exclusive Terminal Building Space in substitution for other space in the Terminal Building, Airline shall remove from such surrender space within a reasonable time (not to exceed 60 days) after such substitution, all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it and such other fixtures and construction of a temporary nature installed therein by Airline as the Commissioner of Public Works may require.

As and when any substitute or additional space is available in the Terminal Building for use by air transportation companies, City shall, insofar as is not inconsistent with its program of improvements, the needs and desires of other air transportation companies and the prudent and efficient operation of the Terminal Building by the City, afford Airline the opportunity to lease such substitute or additional space hereunder.

Any space in the Terminal Building leased to Airline in substitution for or as additional "Airline's Terminal Building Space" shall be included in space leased hereunder on the same terms and conditions and at the same rental per square foot of such substituted or additional space, as is herein provided for the category of the space as to which such substitution or addition occurs; provided, however, that if, in accordance with the provisions of this section, any space is temporarily substituted hereunder for other space, the term of the lease for such substituted space shall be only of such duration as is required for the purposes of such temporary substitution.

Section 1.05. *Ingress and egress. Right to purchase property.* Subject to the foregoing and to rules and regulations promulgated by City, Airline shall have the right and privilege over the Airport of ingress to and egress from the premises and facilities described in this Article I for its employees, agents, passengers, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, and its or their equipment, vehicles, machinery and other property, and except as herein otherwise specifically provided, no charges, fees or tolls of any nature, direct or indirect, shall be imposed by City upon Airline, its employees, agents, passengers, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, for such right of ingress and egress, or for the privilege of purchasing, selling or using any materials or services purchased or otherwise obtained by Airline, or transporting, loading, unloading or handling persons, property, cargo, or mail in connection with Airline's business or exercising any right or privilege granted by City hereunder. The foregoing shall not preclude City of its concessionaires from making and collecting a charge for the use of automobile parking areas or sightseeing facilities, or for the use of ground transportation to or from the Airport furnished by City or its concessionaires, or for the furnishing or sale by City or its concessionaires to the public at the Airport of services, insurance, food and merchandise, or preclude City from imposing any tax, permit or license fee not inconsistent with the right and privileges granted to Airline hereunder.

Airline shall have the right to purchase or otherwise obtain property and services of any nature from any suppliers of its choice.

Section 1.06. *Conduct of operations for other Airline Parties.* Any space leased to Airline under this Article I may also be used by Airline on behalf of or in conjunction with any other Airline Party or Parties in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such space in its own behalf in connection with its conduct of air transportation, and in such case the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and its or their suppliers of materials and furnishers of service shall, to the same extent, be granted to such other Airline Party's or Parties' employees, agents, passengers, guests, patrons and invitees, and its or their suppliers of materials and furnishers of service; provided, however, no such use shall be permitted without the consent of the Commissioner of Aviation if such use involves payment to Airline by any such other Airline Party of an amount greater than Airline's estimated expenses with respect to the space, facilities and services used by or furnished to such other Airline Party.

Airline may further lease or sublease any space leased to Airline under this Article I of other Airline Party or Parties only for the uses and upon the terms herein set forth and provided that in each instance approval of the City Council be first obtained.

ARTICLE II

Term

The term of this agreement shall be for a period commencing on January 1, 1978 and terminating on December 31, 1980.

ARTICLE III

Rental

Section 3.01. *Airline Terminal Building Space.* Commencing January 1, 1978 and thereafter during the term hereof as to such space, Airline shall pay to City rental for Airline Terminal Building Space, as follows, a monthly rental of Twelve Thousand Six Hundred Ninety Two and No/100 Dollars ($12,692.00) for Airline Terminal Building Space, predicated on an annual rental of Six and No/100 Dollars ($6.00) per square foot for each Airline in accordance with the summary attached hereto and made a part hereof.

Section 3.02. *Method of payment.* Airline shall, on or before the first day of each calendar month during the term hereof, pay to City rental due for such month for Airline's Terminal Building Space.

Notwithstanding the foregoing, if any rental commences or is adjusted otherwise than as of the first day of any month or terminates prior to the last day of any month, rental for such month shall be determined on a pro rata basis according to the number of days of such month involved, and any required payment or refund or rental for such month shall be made as promptly as practicable.

The payment of the foregoing rentals shall be made at the office of the City Comptroller of City.

ARTICLE IV

Construction, Maintenance and Repair by Airline

Section 4.01. *Construction, maintenance and repair on Airline's Terminal Building Space.* Airline may construct or install, at its own expense, any equipment, improvements and facilities, and any additions thereto, on all or any part of Airline's Terminal Building Space. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any proposed construction or installation of improvements and facilities (including any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation prior to the commencement of construction or installation. Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Airline shall keep and maintain all such improvements and facilities and additions thereto constructed or installed by it in good condition and repair, reasonable wear and tear excepted. No restrictions shall be placed upon Airline as to the architects, builders or contractors who may be employed by it in connection with any construction, installation, alteration, repair or maintenance of any such improvements, facilities and additions.

Airline shall keep Airline's Terminal Building Space in a sanitary and sightly condition.

Section 4.02. *Covenant against liens.* Airline shall keep Airline's Terminal Building Space and the installations situated thereon free and clear of any and all liens in any way arising out of the construction, improvement or use thereof by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.03. *Performance by City upon failure of Airline to maintain.* In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by this Article V to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this agreemet or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

ARTICLE V

Maintenance, Operation and Repair by City

Section 5.01. *Maintenance and operation.* City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair, the Terminal Building and all additions, improvements, facilities and equipment now or hereafter provided by City at or in connection with the Terminal Building, excepting any improvements, facilities and equipment constructed or installed by Airline, either individually or jointly with other Airline Party Lessees. City shall keep the Terminal Building, excepting Airline's Terminal Building Space and the Airline Joint Space, in a sanitary and sightly condition.

Section 5.02. *Quiet enjoyment.* City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the quiet possession and enjoyment of the premises, facilities, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.03. *Concessionaires.* In the event any concessionaire selected by City for the purpose of operating any concession at or in connection with the Terminal Building shall not operate such concession in a satisfactory and efficient manner, or in the event City shall fail to select a concessionaire for the purpose of furnishing necessary or desirable services or products to the public at or in connection with the Terminal Building, City shall, upon request of a Majority in Interest of Airline Party Lessees, use its best efforts to correct such situation, including, if and so long as required, the selection of another concessionaire, provided that City has the authority so to do under the terms of the applicable concession agreement.

Section 5.04. *Performance by Airline upon failure of City to maintain and operate.* In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and deduct the cost to Airline of such performance from any amounts due hereunder or otherwise from Airline to City; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and deduct, as aforesaid, its cost of such performance. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation by it of the Airport or any facilities now or hereafter connected therewith.

ARTICLE VI

Equal Opportunity

Airline, in performing under this agreement, shall not discriminate against any worker, employee or applicant, or any member of the public because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice.

Airline will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, creed, religion, age, sex, or national origin. Such shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay of other forms of compensation; and selection for training, including apprenticeship.

Airline agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Airline further agrees that this clause will be incorporated into all contracts entered into with suppliers of materials or services, contractors and subcontractors, and all labor-organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246, issued September 24, 1965, 3 C.F.R., 1964-1965 Compilation, p. 339, as modified by Executive Order 11375, issued October 13, 1967, 3 C.F.R., 1967 Compilation, p. 320; The Civil Rights Act of 1964, 42 U.S.C. § 2000d, *et seq.*; The Age Discrimination Act of 1975, 42 U.S.C. § 1601, *et seq.*; and all amendments to those statutes and executive orders and regulations of the United States Departments of Labor, Transportation, and Health, Education, and Welfare and most particularly Department of Transportation Title 49, Code of Federal Regulations, Part 21; to the State Acts approved July 26, 1967, Ill. To demonstrate compliance, Airline and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Non-Discrimination in the Use of the Premises by Airline

This agreement involves the construction or use of, or access to, space on, over, or under real property acquired, or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which services the public.

Airline, for himself, his personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination in the use of said facilities (2) that in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination, and (3) that Airline shall use the premises in compliance with all other requirements imposed by or pursuant to, the Department of Transportation regulations.

In the event of the breach of any of the above non-discrimination covenants, the City of Chicago shall have the right to terminate this agreement and to re-enter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

Prohibition Against Exclusive Rights

It is hereby specifically understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right to provide aeronautical services to the public as prohibited by Section 308 (a) of the Federal Aviation Act of 1958, as amended, and the City reserves the right to grant to others the privilege and right of conducting any one or all activities of an aeronautical nature.

Non-Discrimination in Furnishing Services

The Airline agrees to furnish services on a fair, equal and not unjustly discriminatory basis to all users thereof, and to charge fair, reasonable and not unjustly discriminatory prices for each unit or service; provided, that the Airline may be allowed to make reasonable and nondiscriminatory discounts, rebates or other similar types or price reductions to volume purchasers.

Affirmative Action

Airline assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Airline assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Airline assures that it will require that its covered suborganizations provide assurances to Airline that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR 152, Subpart E, to the same effect.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Esmark, Inc. and Federal Express Corporation, for the sublease of certain premises at Chicago Midway Airport, said sublease to be in the following form:

Sublease Agreement

Sublease made September 1, 1979, between Esmark, Inc., a Delaware corporation, with its principal place of business at 55 East Monroe Street, Chicago, Illinois 60603, herein referred to as "Lessee", and Federal Express Corporation, Memphis International Airport, P. O. Box 727, Memphis, Tennessee 38194, herein referred to as "Sublessee".

Recitals

Whereas, Lessee has leased space at Chicago Midway Airport; and

Whereas, Sublessee desires to obtain space in area leased by Lessee; and

Whereas, the parties desire to enter a sublease agreement defining all rights, duties, and liabilities of the parties hereto;

Now, Therefore, in consideration of the mutual covenants contained herein, the parties agree as follows:

Section One

Description of Premises

Lessee has leased a Hangar Site at Chicago Midway Airport from the City of Chicago, herein referred to as Lessor. Lessee shall demise to Sublessee approximately 4,800 square feet on the first floor of the Hangar Building as more fully described in Exhibit "A" attached hereto. Lessee agrees to keep clear and unobstructed at all times the shaded area on Exhibit A in order to provide Sublessee with ingress and egress to the ramp via the overhead door in the southeast wall.

Section Two

Purpose of Sublease

The premises demised under this Sublease are to be used by Sublessee in the conduct of the business of Federal Express Office, and all tasks related thereto. Sublessee shall not use the premises for any illegal, immoral, or ultrahazardous activity, whether within or outside the scope of the business of Sublessee.

Section Three

Term of Sublease

The term of this sublease shall be for a fixed term commencing on September 1, 1979, and terminating on December 31, 1980, unless sooner terminated by breach of the terms and conditions of this agreement or as provided in Section Seven hereof or in the event of termination of the lease between Lessor and Lessee. Upon 90 days written notice prior to the anniversary date of this sublease, Sublessee shall have the option to terminate this sublease and all obligations of Sublessee under this sublease shall be terminated upon payment by Lessee of the termination payment as provided in Section Five hereof.

In the event Lessor and Lessee agree to extend the term of their lease agreement, the Lessee agrees that Sublessee shall have the option to renew the term hereof for a period the length of which shall be mutually agreed upon by the parties.

Section Four

Rent

Sublessee shall pay to Lessee as basic rent One Thousand Seven Hundred Dollars ($1,700.00) per month, on the first day of each month, commencing on September 1, 1979, and continuing each month thereafter during the term of this sublease. Sublessee shall pay all other sums due as additional rental under the provisions of this sublease on the basic rental payment due date first occurring after the additional rental payment arises.

Section Five

Services, Utilities and Additional Rental and Termination Payment

Sublessee shall pay all utilities whether they be separately metered or apportioned by Lessee. If Lessee chooses to apportion said utilities then Sublessee shall pay for them as additional rental based on an average charge per square foot as reasonably determined by Lessee, based upon the ratio which the square footage in the leased premises bears to the total square footage of the hangar.

Sublessee shall also pay as additional rental upon proof of payment by Lessee its proportionate share, based on square feet of real estate taxes after the date of this lease. Said proportion shall be 5.2% (4,800 sq. ft. ÷ 91,700 sq. ft.).

In the event of a termination of this lease prior to the original term as provided in Sections Three or Seven hereof then Sublessee shall pay as a termination payment the total unamortized cost of any alterations which would have been paid as additional rental in the absence of termination.

Section Six

Accidental Damage or Injury

Lessor and Lessee shall not be liable for any damage to property or any injury to persons, sustained by Sublessee, its agents, employees, licensees or invitees caused by conditions or activities on or arising out of Sublessee's use of the leased premises. Sublessee agrees to indemnify and hold harmless Lessor and Lessee from any and all loss (including not but limited to property damage, bodily injury, illness or death) resulting from Sublessee's use of the leased premises and not arising out of the negligent acts or omissions of Lessor and/or Lessee and their respective agents, servants or employees and agrees to defend any suit and to assume full responsibility for the expenses of investigation and settlement of any claim or legal action. Should Sublessee, either directly or by its insurer, fail to assume the obligation set forth in this agreement, the Lessee and Lessor at their option and after notice thereof may undertake such measures as are deemed necessary and appropriate with regard to any such claim or legal action, and all expense incurred therein will be reimbursed to Lessor or Lessee by Sublessee.

The Sublessee further agrees to provide the Lessee (as provided for under Section Twenty-Six, Notices) with an insurance certificate evidencing Public Liability Insurance with a $1,000,000 limit, and Workmen's Compensation with Statutory Provisions. Such certificate shall:

1. Provide Lessee with 30 days Notice of Cancellation, material change, or non-renewal.
2. Name Lessee and Lessor as an additional insured and make specific reference to the indemnity agreement in Section Six.

Section Seven

Casualty Damage or Injury

If the premises shall be destroyed or damaged by any acts of war, the elements, including earthquake, or fire, to such an extent as to render the premises untenantable in whole or in substantial part, Lessor has the option of rebuilding or repairing the premises by giving notice to that effect to Lessee within 30 days after the occurrence of any damage, of the intent of Lessor to rebuild or repair the premises or the part so damaged. If Lessor elects to rebuild or repair the premises and does so without unnecessary delay, Sublessee shall be bound by this lease, except that during the period of repair, the rent of the premises shall be abated in the same proportion that the portion of the premises rendered unfit for occupancy by Sublessee shall bear to the whole of the subleased premises. If Lessor fails to give notice of the intent to repair, Sublessee shall have the right to declare this sublease terminated.

Section Eight

Compliance with Original Lease and Laws

Sublessee shall not cause or allow any undue waste on the premises and shall comply with all applicable laws and ordinances respecting the use and occupancy of the premises relating to matters not covered elsewhere in this sublease, provided that Sublessee shall not be required to make any alterations, additions, or improvements to the premises in order to conform with this sublease.

Sublessee shall perform and observe the terms and conditions to be performed on the part of the Lessee under the provisions of the original lease between Lessee and Lessor, a copy of which will be separately provided to Sublessee, excepting the covenant for the payment of rent reserved thereby, and to indemnify Lessee against all claims, damages, costs, and expenses in respect to the nonperformance or nonobservance of any such terms or conditions. Sublessee also agrees to submit an Economic Disclosure Statement to Lessor.

Sublessee agrees and understands that whenever the consent or approval of Lessee, to any act contemplated hereby, is required, the consent or approval of the Lessor shall also be required.

Section Nine

Subject to the obligations of Lessor under Article V of the original lease, Lessee, unless herein specified to the contrary, shall maintain the premises in good repair and tenantable condition during the continuance of this sublease, except in case of damage arising from acts or negligence of Sublessee or the agents of Sublessee.

Section Ten

Alterations, Additions, or Improvements

Sublessee shall not make any alterations, additions, or improvements on or to the premises without first obtaining the written consent of Lessee, and all alterations, additions, and improvements that shall be made shall be at the sole expense of Sublessee and shall become the property of Lessee and shall remain on and be surrendered with the premises as a part thereof at the termination of this sublease without disturbance, molestation, or injury. Nothing contained in this provision shall prevent Sublessee from removing all office machines, equipment, and trade fixtures customarily used in the business of Sublessee.

Section Eleven

Liens

Sublessee shall keep the subleased premises free and clear of all liens arising out of any work performed, materials furnished, or obligations incurred by Sublessee.

Section Twelve

Access to Premises

Sublessee shall allow Lessor or Lessee or the agents or employees of either the free access to the premises at all reasonable times for the purpose of inspecting or of making repairs, additions, or alterations to the premises or any property owned by or under the control of either party.

Section Thirteen

Advertisements

All signs or symbols placed in the windows or doors of the premises, or on any exterior part of the building by Sublessee, shall be subject to the approval of Lessee. If Sublessee shall place signs or symbols on the exterior of the building or in the windows or doors where they are visible from the street that are not satisfactory to Lessee, Lessee may immediately demand the removal of the signs or symbols, and the refusal by Sublessee to comply with any demand within a period of 24 hours will constitute a breach of this sublease and entitle Lessee immediately to recover possession of the premises in the manner provided by law. Any signs so placed on the premises shall be so placed on the understanding and agreement that Sublessee shall remove these signs or symbols at the termination of the tenancy herein created and repair any damage or injury to the premises caused thereby. If not so removed by Sublessee, then Lessee may have the signs or symbols removed at the expense of Sublessee.

Section Fourteen

Sales, Assignments, and Subleases

Sublessee shall not assign this sublease, or sell or sublet the premises subleased herein or any part thereof or interest therein, without the prior written consent of Lessee. This sublease shall not be assigned by operation of law. If consent is once given by Lessee to the assignment of this sublease or sublease of the premises or any interest therein, Lessee shall not be barred from subsequently refusing to consent to any further assignment or sublease. Any attempt to sell, assign, or sublet without the consent of Lessee, shall be deemed as a default by Sublessee, entitling Lessee to re-enter pursuant to Section Nineteen if Lessee so elects.

Section Fifteen

Quiet Enjoyment

If Sublessee performs the term of this sublease, Lessee will warrant and defend Sublessee in the enjoyment and peaceful possession of the premises during the term hereof without any interruption by Lessee or Lessor or either of them or any person rightfully claiming under either of them.

Section Sixteen

Landing Fees

Sublessee agrees that it shall keep and maintain records of all landings made at Chicago Midway Airport, Chicago-O'Hare International Airport and Merrill C. Meigs Field, in form as approved by the Comptroller of the City of Chicago (Room 501-City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602) and shall remit directly to Comptroller, with itemized report of landings, copy of which shall go to the Commission of Aviation (Room 1111-City Hall), on or before the 15th day of the month following, payment for all such landings made during the preceding month, or portion thereof.

Landing fees shall not be assessed for any landing of a ferry flight between Chicago Midway Airport and the other City-owned Airports, or for any landing of an aircraft returning to the airport from which it took off because of meteorological conditions, mechanical or operating causes, or any similar emergency or precautionary reason.

Since Chicago-O'Hare International Airport landing fee is subject to change every calendar half year, the Commissioner shall advise Sublessee of the specific fee to be in effect at Chicago-O'Hare International Airport for each such period, at least fifteen (15) days in advance of such period.

Section Seventeen

Default By Lessor or Lessee

If Lessor or Lessee fails or neglects to perform the sublease or the provisions of the original lease between them, then Sublessee may, after reasonable notice in writing of not less than 30 days, terminate this sublease.

Section Eighteen

Default of Sublessee

If any rents reserved, or any part thereof, shall be and remain unpaid for ten (10) days after the date when these rents shall become due, or if Sublessee violates or defaults in any of the provisions of this sublease and such violation or default continues for twenty (20) days after Sublessee receives notice of same from Lessee, then Lessee may cancel this sublease by giving the notice required herein, and re-enter the premises. Upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof.

Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise contained in said agreement, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement.

The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State attorney for it and, in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof.

Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereinafter located in said premises, or elsewhere, to secure payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraphs hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises.

The landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Laws, Ordinances, Rules and Regulations

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

5. *Basic Lease Extension and Option to Extend Sublease Agreement.*

A. Continental shall promptly seek a ten (10) year extension to the Basic Lease on terms satisfactory to it. The grant of such an extension by the City shall not affect the terms of this Sublease Agreement, but shall constitute a condition precedent to Continental's obligation to grant to Tenant the option to extend this Sublease Agreement as hereinbelow described. Continental shall have the sole right to determine whether it is satisfied or dissatisfied with the terms of the Basic Lease extension according to its own subjective standards, regardless of objective criteria or the opinion of others.

B. If City grants and Continental accepts an extension of the term of the Basic Lease, Tenant shall have an option to extend this Sublease Agreement for the term of the extension of the Basic Lease or ten (10) years, whichever is less. Such renewal option shall be for not less than the entire Leased Space on all of the terms and provisions of this Sublease Agreement and the Basic Lease, as amended to include the option to extend, provided (i) Tenant shall have no other right to extend the term of the Sublease Agreement beyond the extended term, and (ii) Continental's and Tenant's rental and financial obligations with respect to such Basic Lease and this Sublease Agreement during the extended term of this Sublease Agreement shall be as provided in subparagraph C below. Tenant shall exercise its option to extend this Sublease Agreement by giving Continental notice of intent to do so on or before April 30, 1987; provided, however, that if Tenant is in default at the date of the giving of such option notice, or this Sublease Agreement is not otherwise in full force and effect, the option notice shall be totally ineffective or, if Tenant is in default on the date as of which the extended term is to commence, such extended term shall not commence and this Sublease Agreement shall expire at the end of the initial term.

C. During the extended term of this Sublease Agreement, if any, Tenant shall pay to Continental, for the Sublease Agreement and use of the Leased Space, facilities, and rights subleased hereunder, Tenant's "pro-rata share" of the following Continental Air Cargo Facility rentals, fees, costs, and charges (hereinafter collectively referred to as the "Use and Operating Costs").

(1) The term "pro-rata share" to be paid by Tenant shall be deemed to mean the product derived by multiplying the total Continental Air Cargo Facility Use and Operating Costs by a fraction, the numerator of which is the Exclusive Space subleased to Tenant hereunder and the denominator of which is the amount of space available to be subleased for the exclusive use of all sublessees, plus the space exclusively occupied by Continental in the Continental Air Cargo Facility, excluding all such space used for Continental Air Cargo Facility management, maintenance, and general support for the benefit of Continental and all sublessees.

On or before September 30, of each year, beginning in 1987, Continental shall notify Tenant of Tenant's pro-rata share of the Use and Operating Costs estimated for the twelve (12) month period beginning on the next ensuing December 1. Beginning on each such December 1, and on the first day of each of the next eleven months, Tenant shall pay to Continental one-twelfth (1/12) of the amount estimated by Continental to be Tenant's pro-rata share of the Use and Operating Costs for that twelve (12) month period.

Following Continental's determination of the actual Use and Operating Costs at the end of each successive twelve (12) month period during the extended term, Continental shall notify Tenant of any additional amounts owing, and Tenant shall promptly pay upon receipt of invoice such additional amounts to Continental. If Tenant's pro-rata payments for such twelve (12) month period exceed the actual Use and Operating Costs for such period, such excess shall be credited to Tenant's future Use and Operating Cost payment obligations.

In addition to its obligations as set forth above, Tenant shall promptly pay to Continental upon receipt of invoice, its pro-rata share of all Continental Air Cargo Facility maintenance, renewal, and replacement costs and costs incurred in connection with capital improvements undertaken for the benefit of all sublessees.

(2) The term "Use and Operating Costs" shall be deemed to mean any and all costs, expenses, assessments, and other impositions, general and special, ordinary and extraordinary, of every kind and nature whatsoever which are attributable to the operation and maintenance of the entire Continental Air Cargo Facility and Common Space incurred or paid by or on behalf of Continental including, without limitation, maintaining, operating, managing and general administration, renewing, replacing, and repairing, with respect to the entire Continental Air Cargo Facility and Common Space. The term "Use and Operating Costs" shall be applied in the context of this Sublease Agreement to the full extent necessary to produce revenues to Continental in an amount which shall fully reimburse Continental for all costs and expenses attributable to the operation and maintenance of the entire Continental Air Cargo Facility and Common Space. No credit, deduction, or offset of Tenant's obligation to fully reimburse Continental shall be permitted (whether provided in other provisions of this Sublease Agreement or not) and such costs and expenses shall include, without limiting the generality of the foregoing, all rents, taxes, premiums, maintenance, and other charges paid or incurred by or on behalf of Continental under the Basic Lease.

6. *Tax and Insurance Assessment.*

In addition to the rental due and payable hereunder, the Tenant shall pay to Continental an annual assessment as and for insurance and taxes computed as follows:

A. For each and every year during the term hereof, from the aggregate of (i) all ad valorum taxes, including personal property taxes, and special assessments due and payable with respect to the Continental Air Cargo Facility during said years, and (ii) the annual premiums paid by Continental for the fire and extended coverage insurance maintained by Continental during said year pursuant to paragraph 12 hereof, there shall be deducted the sum of $40,000. The remainder therefrom is hereinafter called the "Annual Assessment".

B. The Tenant shall pay to Continental upon invoice its proportionate share of the Annual Assessment as determined by the ratio between (i) the average amount of the Exclusive Space subleased to the Tenant in the Continental Air Cargo Facility during such year, and (ii) the average aggregate amount of space available to be subleased for the exclusive use of all sublessees of, plus the space exclusively occupied by Continental in, the Continental Air Cargo Facility during the same year.

C. Within sixty (60) days from the end of each and every year during the term hereof, Continental shall compute the proration of the Annual Assessment described in subparagraph B of this paragraph 6 and shall invoice the Tenant for its amount of such proration. Payment of the proration shall be due within twenty (20) days of receipt of invoice.

D. Continental agrees to keep and maintain books and records of the insurance and ad valorum tax expenses incurred with respect to the operation of the Continental Air Cargo Facility, and shall submit an annual report to the Tenant in summary thereof accompanying the invoice described in subparagraph C of this paragraph 6.

7. *Subordination.*

This Sublease Agreement is subject and subordinate to all procured or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which the Leased Space forms a part, and all renewals, modifications, consolidations, replacements, and extension thereof. This provision shall be self-operative and no further instrument of subordination shall be required by any mortgagee. In confirmation of such subordination, the Tenant shall execute promptly any certificate that Continental may request, and the Tenant hereby constitutes and appoints Continental as the Tenant's attorney-in-fact to execute and deliver any such certificate or certificates for and on behalf of the Tenant. However, so long as the Tenant is not in default in the payment of rental or in the performance of any of the obligations of the Tenant created hereunder, during the term hereof the Tenant shall have quiet and peaceable possession, use, and enjoyment of the Exclusive Space.

Notwithstanding the foregoing, this Sublease Agreement and the promises and covenants contained herein are subject and subordinate to the Basic Lease, a copy of which has been given to the Tenant; and the Tenant hereby covenants and agrees, for the benefit of Continental and the City, that it shall not, by its use and occupancy of the Leased Space, violate any of the provisions of the Basic Lease and that it shall faithfully perform all of the obligations of the Lessee thereunder insofar, but only insofar, as such obligations relate and pertain to the Leased Space (provided, however, that nothing herein contained shall obligate the Tenant to perform any obligation imposed upon Continental hereunder or to pay rental unto the City, which obligations shall be the sole responsibility of Continental).

8. *Services and Utilities.*

Continental shall furnish, without additional cost or expense to Tenant, the services and utilities set forth below; provided, however, Continental shall not be liable for any loss or damage caused by or resulting from any variation, interruption, or failure of said services and utilities arising out of any cause whatever, but in the event any such variation, interruption, or failure of said services and utilities shall occur, Continental shall use its best reasonable efforts, exercising due diligence to cause the resumption of such utilities and services:

A. Potable domestic water in both the Exclusive Space and the Common Space, and sanitary sewer water in the Exclusive Space stubbed to the locations designated by Tenant.

B. Lighting for the Common Space, including, without limitation, such loading dock, ramp, taxiway, and parking lot lighting as Continental shall determine adequate for the common use of the occupants of the Continental Air Cargo Facility.

C. Snow removal from the Common Space, including the loading dock, ramp, taxiway, and parking lot, as required.

D. The gas, electrical, and ventilation systems in the Continental Air Cargo Facility stubbed to the exterior of Tenant's Exclusive Space. All additional gas and electrical fixtures, equipment, and appliances required by the Tenant with respect to the Continental Air Cargo Facility shall be procured and installed by the Tenant at its own cost and expense. All electricity used or consumed by the Tenant, including that used for lighting, shall be separately metered and the cost thereof, including utility connecting charges and deposits, if any, shall be paid entirely by the Tenant. The gas used or consumed at the Continental Air Cargo Facility shall not be separately metered and Continental shall pay the monthly charges therefor, but the Tenant shall reimburse Continental monthly upon invoice for that portion of the gas deemed to have been used or consumed on behalf of the Tenant, including gas used or consumed for heating, as determined by allocating to the Tenant that portion of each monthly gas bill which is equal to the amount of Exclusive Space leased to the Tenant in the Continental Air Cargo Facility during the month to which the gas bill relates as compared with (i) the total amount of space subleased for the exclusive use of all sublessees in the Continental Air Cargo Facility during such month and (ii) the amount of space exclusively occupied by Continental in the Continental Air Cargo Facility during such month.

Continental shall not provide waste disposal service, the responsibility for which shall be the Tenant's; and Tenant agrees to cause the disposal of all waste, debris, and trash attributed to the Tenant, its officers, employees, agents, business invitees, and guests, at such intervals as shall be necessary to keep and maintain the Continental Air Cargo Famility in a clean, sightly, sanitary, and tenantable condition.

9. *Maintenance and Repair.*

A. In addition to the services and utilities to be provided by Continental pursuant to paragraph 8 above, Continental shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and in a good state of repair as follows:

(1) Continental shall maintain and repair all Common Space located at the Continental Air Cargo Facility, including, without limitation, the loading dock, ramp, taxiway, parking lot, and lighting system for the Common Space.

(2) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair the Continental Air Cargo Facility structure in a workmanlike manner in accordance with good standard building practice.

(3) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair all systems installed by Continental in the Continental Air Cargo Facility pursuant to the plans and specifications for the Continental Air Cargo Facility and the provisions of paragraph 8 hereof.

B. The Tenant shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and a good state of repair as follows:

(1) The Tenant shall perform all routine maintenance of the Exclusive Space, including such cleaning and janitorial service as shall be necessary, so as to keep and at all times maintain the Exclusive Space in a clean, sightly, sanitary, and tenantable condition.

(2) The Tenant shall maintain and keep in a good state of repair all equipment, appliances, fixtures, and furnishings installed or brought upon the Leased Space by the Tenant.

(3) The Tenant shall perform all maintenance and repair of the portion of the Continental Air Cargo Facility located within the Leased Space, or systems located therein, required as a result of or attributed to any negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests.

C. In the event the Tenant fails to perform, for a period of twenty (20) days after notice from Continental so to do, any obligation of the Tenant set forth in this paragraph 9, Continental may enter upon the Leased Space (without causing or constituting a termination of this Sublease Agreement and without causing or constituting an interference with the use or possession of the Leased Space by the Tenant) and do all things necessary to perform such obligation, charging to the Tenant the cost and expense thereof and the Tenant agrees to pay Continental such charge in addition to any other amounts payable by the Tenant hereunder; provided, however, if the Tenant's failure to perform any such obligation endangers the safety or use of the Continental Air Cargo Facility by the public, Continental, or the other tenants of the Continental Air Cargo Facility, and Continental so states in its notice to the Tenant, Continental may perform such obligation of the Tenant at any time after the giving of such notice and charge to the Tenant, and the Tenant shall pay, as above provided, the cost and expense of such performance.

10. *Fixtures and Alterations.*

The Tenant may, with the prior written approval of Continental, and, if requested by Continental, with the prior written approval of the Commissioner of Aviation and the Commissioner of Public Works of the City, and after obtaining all requisite building or construction licenses or permits, at its own cost and expense, erect or install in or upon the Exclusive Space any machinery, equipment, appliances, fixtures, or improvements or do or make any alterations or remodeling, or perform interior decorating. Any machinery, equipment, appliances, fixtures, improvements, and other property bought, installed, erected, or placed by the Tenant in, on, or about the Exclusive Space shall be deemed to be personalty and remain the property of the Tenant, and the Tenant shall have the right, at any time during the term of this Sublease Agreement, to remove any or all of its property, subject to the Tenant's obligation to repair damage, if any, resulting from such removal. The Tenant shall, upon cancellation or termination of this Sublease Agreement, or any other time it removes any such property, restore the Exclusive Space leased hereunder to the condition as it existed at the beginning of the term hereof, ordinary wear and tear and damage by fire or other casualty covered by the insurance described in paragraph 12 hereof excepted.

11. *Indemnity.*

The Tenant covenants and agrees at all times to indemnify and hold Continental harmless from and against any and all claims, suits, demands, liabilities, judgments, loss, costs, damages, penalties for violation of any law, ordinance, or regulations affecting Tenant's operations, and expenses of any nature whatsoever (including the cost of investigating and defending any alleged suits, claims, demands, liability, judgments, loss, costs, damages, penalties, and expenses, and attorney's fees and expenses incurred in connection therewith) which may directly or indirectly arise from or be claimed against Continental by any person or persons for any loss of or damage to property, or injury to, including death, of any person whomsoever, consequent upon, or arising from or out of the operation, use, or occupancy of the Leased Space by the Tenant, its officers, employees, agents, business invitees, or guests, or resulting from the carelessness, negligence, or improper conduct of the Tenant, its officers, employees, agents, business invitees, or guests in the use and occupancy of the Leased Space, except when any such claim, suit, demand, liability, judgment, loss, cost, damage, penalty, or expense is the direct result of the sole negligence of Continental, its officers, employees, agents, business invitees, or guests, or the joint negligence of Continental and any person, firm, or corporation other than the Tenant, its officers, agents, employees, business invitees, and guests.

In addition thereto, the Tenant agrees to indemnify and hold the City harmless from and against all liabilities, judgments, costs, damages, penalties, and expenses which may accrue against, be charged to or recoverable from the City by reason or on account of damage of the property of, injury to, or death of any person, arising from the Tenant's use and occupancy of the Leased Space, and operations at the Airport, including acts of its agents, contractors, and subcontractors, except when caused by the sole negligence of the City or by the joint negligence of the City and any person other than the Tenant, its agents, contractors, and subcontractors.

12. *Fire Insurance and Restoration.*

Continental shall obtain and maintain in full force and effect at all times during the term hereof, or any extension or renewal thereof, a policy or policies of fire and extended coverage insurance covering the Continental Air Cargo Facility in an aggregate amount not less than eighty percent (80%) of the full insurable value thereof.

If, during the term hereof, or any extension or renewal thereof, the Continental Air Cargo Facility shall be destroyed or damaged in whole or in part by fire or other cause, Continental shall promptly cause the same to be repaired, replaced, and rebuilt, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the Continental Air Cargo Facility existing immediately prior to such occurrence. Rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the Exclusive Space, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance, or nonfeasance of the Tenant, its officers, employees, agents, business invitees, or guests. Nothing contained herein shall be deemed to create any obligation upon Continental to carry and maintain insurance coverage on any of the equipment, furnishings, and contents located within the Leased Space including, without limitation, ground equipment, air cargo, and air cargo handling equipment, all of which shall be the sole liability and responsibility of the Tenant.

13. *Insurance.*

The Tenant further covenants and agrees that, during the term of this Sublease Agreement, it will procure and maintain in full force and effect, at its own cost and expense, policies of insurance of the type and minimum amounts set forth below issued by a company or companies of sound and adequate financial strength acceptable to Continental and the City and naming Continental and the City as additional assureds thereunder.

Aircraft Public Liability and Property Damage
$3,000,000 single limit

Comprehensive Public Liability and Property Damage
$3,000,000 single limit

All such insurance shall be evidenced by a certificate or certificates of insurance delivered to Continental, shall contain a thirty (30) day notice of cancellation clause, and shall contain a provision waiving rights of subrogation against Continental and the City.

14. *Rules and Regulations.*

The Tenant shall at all times observe and obey all rules and regulations governing the conduct and operation of the Airport (as the same apply to the Continental Air Cargo Facility, and the Tenant's use and occupancy thereof) promulgated from time to time by the City. In addition thereto, Continental shall have the right at any time, and from time to time, to establish, modify, and enforce reasonable rules and regulations with respect to the Continental Air Cargo Facility and the cargo area adjacent thereto, and the Tenant shall faithfully observe and obey all such rules and regulations; provided, however, such rules and regulations shall not be inconsistent with any applicable rules and regulations promulgated by the City.

15. *Assignment or Sublease.*

The Tenant may assign and delegate that Sublease Agreement and the rights and obligations created hereunder to any corporation into or with which the Tenant may hereafter merge or consolidate, or which may succeed to the business and assets of the Tenant. The Tenant may further assign and delegate or sublease this Sublease Agreement, the rights and obligations created hereunder, and the premises leased hereby, to any wholly-owned subsidiary or affiliated corporation of the Tenant, in which event the Tenant shall remain primarily liable for the payment of rentals and the performance of all the other obligations of the Tenant created hereunder. Except as provided above, this Sublease Agreement and the rights and obligations created hereunder shall not be assignable or delegable by the Tenant, and any attempt to so assign or delegate shall be null and void.

With the prior written consent of Continental, which consent shall not be unreasonably withheld, the Tenant may sublease the Exclusive Space at a monthly rental rate not to exceed an amount equal to the Tenant's expenses with respect to the Exclusive Space so subleased and facilities and services furnished by the Tenant to, and used by, its sublessee in connection therewith. In the event only a portion of the Exclusive Space is so subleased, it shall be subleased at a monthly rental rate not to exceed a ratable apportionment, on a square foot basis, of the monthly rental rate which would obtain if all of the Exclusive Space was subleased.

It is mutually understood and agreed that nothing contained in this Sublease Agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of Continental for any purpose or in any manner whatsoever.

16. *Remedies Upon Default.*

If any of the following events shall occur:

A. if any voluntary or involuntary petition in bankruptcy or insolvency, or any assignment for the benefit of creditors, or a receiver, shall be made, filed, or appointed by or against the Tenant, or if the Tenant's leasehold interest in the Leased Space shall be levied upon under execution or attachment by any process at law or in equity;

B. if the Tenant shall abandon the Leased Space;

C. if the Tenant shall default in the prompt payment to Continental of rent reserved hereunder, and such default shall continue for a period of fifteen (15) days after notice of such default is given by Continental to the Tenant; or,

D. if the Tenant shall default in the prompt and full performance of any other term, covenant, or condition of this Sublease Agreement, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant, unless the default is of such a nature that the same cannot be cured or corrected within said twenty (20) day period and the Tenant shall have promptly and diligently commenced to cure and correct such default and shall have thereafter continued therewith with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, and shall have continued therewith until the default shall have been cured and corrected;

then, and in any such event (all of which are herein collectively called "Events of Default"), all unpaid rent reserved by Continental hereunder shall immediately become due and payable; and, in addition thereto, Continental may exercise any of the following remedies or any other remedy available to Continental at law or in equity without further notice and without any further demand or other action by Continental, all of which the Tenant expressly waives, and all such remedies shall be cumulative and non-exclusive and the exercise of any one or more such remedies shall not be deemed to be an exclusive election of the remedy or remedies exercised or a waiver of the remedies not exercised, to wit: Continental may bring an action at law or in equity to collect the balance of the unpaid rent reserved hereunder; may terminate this Sublease Agreement and the rights of the Tenant created hereunder and recover damages sustained by the Event of Default; without terminating this Sublease Agreement, may terminate the Tenant's right to possession of the Leased Space; and with or without terminating this Sublease Agreement, may re-enter and repossess the Leased Space, and dispel and remove the Tenant and its property therefrom, using such force as may reasonably be necessary without being deemed guilty of trespassing, forceful entry or detainer and without relinquishing its right to the rent reserved hereunder, and without causing forfeiture of changes due by virtue hereof, nor a waiver of any covenant, agreement, or promise contained in this Sublease Agreement, to be performed by Tenant (the Tenant hereby granting Continental full and free license to so enter upon the Lease Space with or without notice, demand, and process of law). Upon and after entry into possession, without terminating this Sublease Agreement, Continental may in its sole discretion further resublet the Leased Space or any part thereof for the account of the Tenant to any person, firm, or corporation for such rent, and upon such terms and conditions as Continental may in its sole discretion determine; and the rent collected by Continental from such resubletting shall first be applied to reimburse unto Continental all costs and expense incurred in connection with the resubletting of the Leased Space, including any and all reasonable costs and expenses incurred in repossessing the Leased Space from the Tenant, and the balance, if any, shall be applied to the rent reserved herein and any deficiency therein shall be the liability and obligation of the Tenant.

17. *Remedies Upon Default of Continental.*

The Tenant shall have the right, upon giving notice to Continental, to cancel this Sublease Agreement upon or after the default of Continental in the performance of any of the terms, covenants, or conditions to be performed by Continental hereunder and the failure of Continental to cure and correct said default within sixty (60) days following receipt by Continental of written demand from the Tenant so to do; provided, however, that if the default is of such a nature that the same cannot be cured or corrected within said sixty (60) day period and if Continental shall have commenced the curing and correcting of such default within said sixty (60) days and shall have proceeded therewith, with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practical under the circumstances, then, and in that event, no notice of cancellation given pursuant to the provisions of this paragraph 17 shall be of any force or effect. Except as provided above in this paragraph 17, this Sublease Agreement, and the obligations of the Tenant created hereunder, shall not be cancellable or terminable by the Tenant for any cause whatever.

18. *Equal Opportunity.*

Tenant, in performing under this Sublease Agreement, shall not discriminate against any worker, employee, or applicant, or any member of the public, because of race, creed, color, religion, age, sex, or national origin, nor otherwise commit an unfair employment practice.

Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor oganizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this Sublease Agreement.

To demonstrate compliance the Tenant and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

19. *Liens.*

The Tenant shall at all times keep and maintain the Leased Space and improvements situated thereat free and clear of any and all liens, charges, and encumbrances whatsoever arising out of Tenant's use of the Leased Premises or in any manner attributed to any act or omission of the Tenant, its officers, agents, and employees, or relating to any work or improvements performed on or to the Leased Space by or on behalf of the Tenant, its officers, agents, and employees; and shall not mortgage, pledge, or in any manner hypothecate this Sublease Agreement; provided, however, the Tenant may, in good faith, contest the validity of any lien but, notwithstanding any such contest, if any lien so contested shall be reduced to final judgment and such judgment or such process as may be issued or the enforcement thereof is not promptly stayed or is so stayed and said stay thereafter expires, then, and in any such event, the Tenant shall forthwith entirely pay and discharge said judgment.

In addition to the rent and charge hereinabove described, Tenant shall pay all fees, charges, license fees, and taxes of whatever nature, if necessary, as required by law or ordinance of the City.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Trans World Airlines Inc. and United Parcel Service, Inc., for the sublease of certain premises at Chicago O'Hare International Airport, said sublease to be in the following form:

This Agreement made this 15th day of July, 1978, by and between Trans World Airlines, Inc. ("TWA"), a corporation organized and existing under the laws of the State of Delaware, having an office and place of business at 605 Third Avenue, New York, New York 10016, and United Parcel Service, Inc. ("UPS"), a corporation organized and existing under the laws of the State of Ohio, having its principal office at 1400 South Jefferson, Chicago, Illinois 60607.

WITNESSETH:

Whereas, TWA leases certain premises, including improvements thereon, at O'Hare International Airport, Chicago, Illinois ("ORD") from the City of Chicago ("Main Lessor"), under an agreement dated March 27, 1964, as amended by an agreement dated August 24, 1970, a copy being identified as Exhibit A attached hereto and made a part hereof (collectively known as the "Main Lease"); and

Whereas, UPS desires to sublease from TWA, and TWA is willing to sublease to UPS, a portion of said premises and provide services related thereto to UPS subject to the terms and conditions of this sublease agreement ("Sublease");

Now, Therefore, for and in consideration of the mutual covenants hereinafter contained, TWA and UPS hereby agree as follows:

1. TWA subleases to UPS for its exclusive use approximately five hundred and ninety-seven square feet of office space on the second floor of the TWA Air Cargo Building, South Building, (which includes 55 square feet of toilet facilities on the mezzanine level in the new annex section of the first office area), as identified in Exhibit B attached hereto and made a part hereof ("Office Space"); and approximately fifteen hundred sixty (1560) square feet of warehouse space in the TWA Air Cargo Building, North Building (which includes the four dock doors thirteen (13) through sixteen (16), and constitutes an area fifty two (52) feet wide and thirty (30) feet deep), as identified in Exhibit C attached hereto and made a part hereof ("Warehouse Space"), (which Office Space and Warehouse Space are collectively the "Subleased Premises").

2. This Sublease shall commence on July 15, 1978 for a term of one year, and shall continue in effect from month to month thereafter until terminated by either party giving to the other not less than fifteen (15) days written notice. If the Main Lease is terminated for any reason, this Sublease shall automatically terminate concurrently therewith.

3. This Sublease is in all respects subject and subordinate to the provisions of the Main Lease. All references herein to the Main Lease shall be deemed to include any and all modifications and amendments thereto of which UPS has knowledge.

4. Notwithstanding anything to the contrary contained herein, whether express or implied, it is understood and agreed that TWA is not granting or purporting to grant, and that UPS is not receiving and does not claim to have or hold, any estate, right, privilege or interest in or to the Subleased Premises except such as is permitted or authorized under the terms of the Main Lease. With respect to the Subleased Premises and this Sublease, and except where clearly repugnant or inapplicable to the context of the Main Lease, (a) UPS shall observe and be bound by, and shall assume and perform all the obligations of TWA under all the provisions of the Main Lease, and (b) TWA shall have the same rights, privileges and remedies as the Main Lessor under the Main Lease. Whereever in the Main Lease the consent or approval of the Main Lessor is required as to any action desired to be taken by UPS, the consent or approval of TWA shall also be required. UPS shall not do or suffer to be done on or in connection with the Subleased Premises any act or thing which would contravene the terms of the Main Lease. In the event of any conflict between the terms of this Sublease and the terms of the Main Lease, the terms of the latter shall govern.

5. UPS agrees to pay TWA Seventeen Hundred Seventy dollars ($1770.00) each month in advance on the first day of each calendar month during the terms of this Sublease, which includes Six Hundred dollars ($600.00) per month for the Office Space and Eleven Hundred Seventy dollars ($1170.00) per month for the Warehouse Space. Payments for a partial month that may occur at the commencement or termination of the Sublease shall be prorated on the basis of the number of days in that month during which this Sublease is in effect versus the number of days in that entire month. Payments shall be made by UPS without demand by or receipt of an invoice from TWA. Any rental payable by UPS hereunder which is not paid when due shall bear interest at the rate of 9% per annum from the due date thereof until paid. However, the inclusion in this Sublease of a requirement for payment of interest or unpaid rental shall not prohibit TWA from exercising any and all other remedies that are available in the event rental due from UPS is not paid. UPS further agrees that upon expiration or termination of this Sublease, UPS shall, at its expense, restore the Subleased Premises to the condition in which they were received by UPS, reasonable wear and tear and loss by fire excepted, unless TWA shall agree in writing to waive restoration in whole or in part.

6. TWA and UPS agree that at the end of one year from the effective date of this Sublease, either party has the right to delete from the Sublease either the Office Space or the Warehouse Space, without affecting the Sublease as to the balance of the Sublease Premises.

7. UPS' use of the Subleased Premises shall be for the purpose of receiving, storing, sorting and delivering parcels and other merchandise, and loading and parking vehicles and other equipment used by UPS in conducting its business operations, and for no other purpose whatsoever.

8. TWA agrees that UPS shall have the non-exclusive use of an outside area sixty (60) feet deep directly in front of dock doors thirteen (13) through sixteen (16), to be used for the purpose of parking, loading and unloading vehicles.

9. TWA acknowledges that UPS at all times requires appropriate means of access to the Subleased Premises from public highways. TWA's General Manager—Cargo Sales and Services at ORD shall designate the ingress/egress route that UPS, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers may use to move to and from the Subleased Premises. TWA may change said route upon 15 days notice in advance to UPS' local manager. It is agreed, however, that TWA shall not select an ingress/egress route that will impose undue restraints on UPS' normal operations, since it is intended that TWA shall have the right to insure that UPS' operations do not interfere with TWA's normal operations.

10. UPS, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers shall be bound by and observe all rules and regulations promulgated under the Main Lease or made by TWA's General Manager—Cargo Sales and Services at ORD governing the use and occupancy of the Subleased Premises (including but not limited to, action to conserve heat and electricity and control of passenger and vehicular traffic ingress/egress), provided, however, that no such rule or regulation shall conflict with any matter specifically set forth in this Sublease.

11. TWA agrees to repair the door panels at dock doors thirteen (13), fourteen (14), fifteen (15) and sixteen (16) to working condition. Except for the repair of the said door panels, UPS agrees to accept the Subleased Premises in an "as is" condition and to keep and maintain the space in good condition. UPS shall, at its own cost and expense, purchase and install any desired carpeting, draperies, and telephones, and shall repaint painted walls as required. UPS shall bear the sole expense of any alterations, additions or improvements and of any future repairs to the Subleased Premises during the duration of the Sublease. UPS shall not make any alterations, additions or improvements to the Subleased Premises without prior written consent of TWA in each instance. TWA makes no representation that the presently existing facilities comply with the Occupational Safety and Health Act.

12. UPS agrees to bear the entire cost and expense of relocating DHL Corporation ("DHL"), the former sublessee of the warehouse space at door sixteen (16) of the TWA Air Cargo Building, North Terminal, to DHL's new location at door twelve (12) of the said North Terminal (which expense includes the cost of moving all DHL's property currently located within door sixteen (16) to door twelve (12); and the cost of moving DHL's cage from door sixteen (16) to door twelve (12), completing its third side with caging material, and lining the newly completed side with plywood presently existing in DHL's cage, as set forth in the letter dated July .., 1978 from UPS to DHL. UPS will protect and indemnify TWA from and against any responsibility for the costs and expense of relocating DHL from door sixteen (16) to door twelve (12) of the said North Terminal.

13. TWA shall furnish heat, light, water and electricity, from and to the extent capable, using facilities and fixtures presently installed in the Subleased Premises. In the event that UPS should require further or additional utilities, facilities or fixtures, the costs of obtaining, installing, and maintaining the same shall be solely borne by UPS. UPS shall provide at its sole cost and expense all other utilities and building services required in connection with the use and occupancy of the subleased space. UPS shall provide its own trash receptacle, shall station said receptacle at a location to be designated by TWA, and shall bear all costs pertaining to trash removal unless otherwise agreed upon by TWA and UPS. UPS shall obtain at UPS' sole cost and expense usual janitorial services to maintain the Subleased Premises in a clean, neat, orderly and presentable appearance.

14. The costs of installation and the use of any and all communications equipment shall be borne by UPS, and UPS shall be solely responsible for complying with any and all relevant regulations of the Federal Aviation Administration, the Federal Communications Commission and any other relevant governmental authority concerning the installation and use of such communications equipment.

15. TWA shall not be liable to UPS or any other person or entity for or on account of any injury or damage of any kind whatsoever to persons or property occasioned in or about the Subleased Premises, or resulting from any patent or latent defect, structural or otherwise, in the construction, condition or present or future lack of repair of the Subleased Premises or of the building, the wiring, equipment or apparatus therein or thereof, the plumbing, gas, water, steam or other pipes or sewage or of any equipment therein or apparatus thereof, or by or from any act, omission, or neglect of any other occupant of the building.

16. Notwithstanding anything to the contrary herein contained, it is expressly agreed that TWA shall be released from its obligations hereunder in the event and to the extent that performance is delayed or prevented by any cause reasonably beyond its control, including, without limitation, acts of God, public enemies, wars, insurrection, or acts or orders of governmental authorities, or by fire, flood, explosion, riots, or strikes; provided however, that nothing herein contained shall require TWA to accede to demands of labor unions or to demands of its employees which it considers unreasonable.

17. UPS shall assume full responsibility for any act or omission in or about the Subleased Premises. UPS shall defend, indemnify and hold harmless TWA, the Main Lessor, and its or their employees and agents from and against any and all losses, claims, suits, damages, costs, expenses and liabilities attributable to any act or omission of UPS, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers in the use or occupancy of the Subleased Premises.

18. UPS shall defend, indemnify and hold harmless TWA and the Main Lessor from and against any taxes, assessments, liens of any kind, surcharges, etc., levied by any governmental agency or through any procedure of law in connection with the occupancy and use of the Subleased Premises by UPS or with UPS' business operations or equipment in the premises.

19. No waiver of, or election by TWA to disregard, a default on the part of UPS shall act to prohibit TWA from exercising its rights under this Sublease in the event of subsequent or continuing defaults by UPS. No termination of this Sublease shall affect any rights or obligations accrued as of the date of such termination.

20. UPS shall promptly surrender and vacate the Subleased Premises upon the termination of this Sublease. Personal property of UPS left in or about the Subleased Premises upon the termination of this Sublease shall be deemed abandoned and TWA shall have the right to use or dispose of such property as it sees fit.

21. All notices to TWA hereunder shall be in writing and sent by certified mail, postage prepaid, addressed to Secretary, TWA, 605 Third Avenue, New York, New York 10016, with a duplicate copy similarly mailed addressed to General Manager—Cargo Sales and Services, TWA O'Hare International Airport, P.O. Box 66074, Chicago, Illinois 60600, or to such other address as TWA may designate from time to time. All notices to UPS hereunder shall be in writing and sent by certified mail, postage prepaid, addressed to United Parcel Service, Inc., 1400 South Jefferson, Chicago, Illinois 60607 or to such other address as UPS may designate from time to time by notice in writing to TWA. All notices mailed in accordance with the above shall be deemed given 5 days after mailing.

22. UPS shall not assign this Sublease and its rights hereunder, in whole or in part, or sublease, or permit others to use, in whole or in part, the Subleased Premises without the prior written consent in each instance of TWA and the Main Lessor.

23. This Sublease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois, and is subject to the approval of the Main Lessor. If the Main Lessor should refuse to give its approval, the provisions of the Sublease shall terminate and from and after the date of termination no further liabilities will accrue between the parties, except that such termination shall not affect liabilities accrued prior to the date of termination.

In Witness Whereof, the parties hereto have caused this Sublease to be duly executed as of the day and year first above written.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an amendment to an agreement with Amoco Oil Company, as passed by the City Council May 14, 1969 (C.J.P. pp. 5481-5482), said amendment to be in the following form:

This Agreement made and entered into, the .... day of ...., A.D., 1979, by and between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter referred to as "Licensor" and Amoco Oil Company, a corporation organized under and existing by virtue of the laws of the State of Maryland, hereinafter referred to as "Licensee."

WITNESSETH:

Whereas, Licensor and Licensee have heretofore entered into an agreement under date of May 14, 1969, authorized by the City Council May 14, 1969 (C.J.P. pp. 5481-5482), hereinafter referred to as "said agreement," in and by which Licensor, among other provisions, granted to Licensee certain privileges or premises to be occupied and used for the purposes therein stated, located at Chicago-O'Hare International Airport in the City of Chicago, Counties of Cook and DuPage, State of Illinois;

Such shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

To demonstrate compliance, Licensee and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

This agreement involves the construction or use of, or access to, space on, over, or under real property acquired, or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which services the public.

Licensee, for himself, his personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination in the use of said facilities (2) that in the construction on any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination, and (3) that Licensee shall use the premises in compliance with all other requirements imposed by, or pursuant to, the Department of Transportation regulations.

In the event of the breach of any of the above non-discrimination covenants, the City of Chicago shall have the right to terminate this agreement and to re-enter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

Licensee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Licensee assures that no personnel shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Licensee assures that it will require that its covered suborganizations provide assurances to Licensee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

It is, therefore, agreed that except solely as hereinabove modified, changed and amended, the privileges, premises, terms, conditions and provisions of said agreement shall apply to, and shall govern, this amendment of said agreement and any and all further renewals or extensions thereof for any subsequent period which may be affected or made under and in accordance therewith.

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

On motion of Alderman Frost the said proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Evans, Bloom, Sawyer, Bertrand, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Stemberk, Lipinski, Shumpert, Marzullo, Ray, Davis, Hagopian, Kuta, Gabinski, Frost, Marcin, Farina, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Clewis, Axelrod, Schulter, Volini, Orr, Stone—42.

Nays—None.

Alderman Shumpert moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Trans World Airlines, Inc. and Viking International Airlines, Inc., for the sublease of certain premises at Chicago-O'Hare International Airport, said sublease agreement to be in the following form:

This Agreement made as of the 1st day of September, 1978, by and between Trans World Airlines, Inc. ("TWA"), a corporation organized and existing under the laws of the State of Delaware, having an office and place of business at 605 Third Avenue, New York, New York 10016, and Viking International Airlines, Inc. ("Viking"), a corporation organized and existing under the laws of the State of Minnesota, having its principal office at 7000 34th Avenue South, Minneapolis, Minnesota 55450.

WITNESSETH:

Whereas, TWA leases certain premises, including improvements thereon, at O'Hare International Airport, Chicago, Illinois ("ORD") from the City of Chicago ("Main Lessor") under an agreement dated March 27, 1964, as amended by an agreement dated August 24, 1970, a copy being identified as Exhibit A attached hereto and made a part hereof (collectively known as the "Main Lease"); and

Whereas, Viking desires to sublease from TWA, and TWA is willing to sublease to Viking, a portion of said premises and provide services related thereto to Viking subject to the terms and conditions of this sublease agreement ("Sublease");

Now, Therefore, for and in consideration of the mutual covenants hereinafter contained, TWA and Viking hereby agree as follows:

1. TWA subleases to Viking for its exclusive use approximately three hundred ninety (390) square feet of cargo terminal space in the TWA Air Cargo Building at dock door eleven (11), as identified in Exhibit B attached hereto and made a part hereof (the "Subleased Premises").

2. This Sublease shall commence on September 1, 1978 for a term of one year. At the end of one year this Sublease shall continue in effect from year to year, subject to all terms and conditions herein set forth, until terminated by either party giving to the other not less than sixty (60) days' written notice prior to September 1 of each year. If the Main Lease is terminated for any reason, this Sublease shall automatically terminate concurrently therewith.

3. This Sublease is in all respects subject and sub-ordinate to the provisions of the Main Lease. All references herein to the Main Lease shall be deemed to include any and all modifications and amendments thereto of which Viking has knowledge. Notwithstanding anything to the contrary contained in this Sublease, whether express or implied, it is understood and agreed that TWA is not granting or purporting to grant, and that Viking is not receiving and does not claim to have or hold, any estate, right, privilege or interest in or to the Subleased Premises except such as is permitted or authorized under the terms of the Main Lease. With respect to the Subleased Premises and this Sublease, and except where clearly repugnant or inapplicable to the context of the Main Lease, (a) Viking shall observe and be bound by, and shall assume and perform all the obligations of TWA under all the provisions of the Main Lease, and (b) TWA shall have the same rights, privileges and remedies as the Main Lessor under the Main Lease. Wherever in the Main Lease the consent or approval of the Main Lessor is required as to any action desired to be taken by Viking, the consent or approval of TWA shall also be required. Viking shall not do or suffer to be done on or in connection with the Subleased Premises any act or thing which would contravene the terms of the Main Lease. In the event of any conflict between the terms of this Sublease and the terms of the Main Lease, the terms of the latter shall govern.

4. Viking agrees to pay TWA Three Hundred Fifty dollars ($350.00) each month in advance on the tenth day of each calendar month during the term of this Sublease. Payments for a partial month that may occur at the termination of the Sublease shall be prorated on the basis of the number of days in that month during which this Sublease is in effect versus the number of days in that entire month. Payments shall be made by Viking without demand by or receipt of an invoice from TWA. Any rental payable by Viking hereunder which is not paid when due shall bear interest at the rate of 9% per annum from the due date thereof until paid. However, the inclusion in this Sublease of a requirement for payment of interest or unpaid rental shall not prohibit TWA from exercising any and all other remedies that are available in the event rental due from Viking is not paid.

5. Viking's use of the Subleased Premises shall be for the purpose of receiving, storing, sorting and delivering parcels and other merchandise, and loading and parking vehicles and other equipment used by Viking in conducting its business operations, and for no other purpose whatsoever.

6. TWA agrees that Viking shall have the non-exclusive use of an outside area sixty (60) feet deep directly in front of dock door eleven (11), to be used for the purpose of parking, loading and unloading vehicles.

7. TWA's General Manager—Cargo Sales and Services at ORD shall designate the ingress/egress route that may be used to move to and from the Subleased Premises, and may change said route upon 15 days notice in advance to Viking's local manager. It is agreed, however, that TWA shall not select an ingress/egress route that will impose undue restraints on Viking's normal operations, as long as Viking's operations do not interfere with TWA's normal operations.

8. Viking, its officers, employees, agents, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers, shall be bound by and observe all rules and regulations promulgated under the Main Lease or made by TWA's General Manager—Cargo Sales and Services at ORD governing the use and occupancy of the Subleased Premises (including but not limited to, action to conserve heat and electricity and control of passenger and vehicular traffic ingress/egress), provided, however, that no such rule or regulation shall conflict with any matter specifically set forth in this Sublease.

9. Viking agrees to erect a cage enclosing its space at its own cost and expense. TWA agrees to repair the overhead door at dock door eleven (11) to working condition. Except for the repair of said overhead door, Viking agrees to accept the Subleased Premises in an "as is" condition, and to keep and maintain the space in good condition. Viking shall, at its own cost and expense, purchase and install any desired telephones, and shall repaint painted walls as required. Viking alone shall bear the expense of any alterations, additions or improvements and of any future repairs to the Subleased Premises during the duration of the Sublease. Viking shall not make any alterations, additions or improvements to the Subleased Premises without prior written consent of TWA, and in TWA's sole discretion, of the Main Lessor, in each instance. TWA makes no representation that the presently existing facilities comply with the Occupational Safety and Health Act.

10. TWA shall furnish heat, light, and electricity, to the extent capable, using facilities and fixtures presently installed in the Subleased Premises. In the event that Viking should require additional utilities, facilities, fixtures, or equipment, the costs of obtaining, installing, and maintaining the same shall be borne solely by Viking. Viking shall provide at its sole cost and expense all other utilities and building services required in connection with the use and occupancy of the Subleased Premises. Viking shall provide its own trash receptacle, station said receptacle at a location to be designated by TWA, and bear all costs pertaining to trash removal. Viking shall obtain at Viking's sole cost and expense usual janitorial services to maintain the Subleased Premises in a clean, neat, orderly, and presentable appearance.

11. The costs of installation and the use of any and all communications equipment shall be borne by Viking, and Viking shall be solely responsible for complying with any and all relevant regulations of the Federal Aviation Administration, the Federal Communications Commission, and any other relevant governmental authority concerning the installation and use of such communications equipment.

12. TWA shall not be liable to Viking or any other person or entity for or on account of any injury or damage of any kind whatsoever to persons or property occasioned in or about the Subleased Premises, or resulting from any patent or latent defect, structural or otherwise, in the construction, condition or present or future lack of repair of the Subleased Premises or of the building, the wiring, equipment or apparatus therein or thereof, the plumbing, gas, water, steam or other pipes or sewage or of any equipment therein or apparatus thereof, or by or from any act, omission, or neglect of any other occupant of the building.

13. Notwithstanding anything to the contrary herein contained, it is expressly agreed that TWA shall be released from its obligations hereunder in the event and to the extent that performance is delayed or prevented by any cause reasonably beyond its control, including, without limitation, acts of God, public enemies, wars, insurrection, or acts or orders of governmental authorities, or by fire, flood, explosion, riots, or strikes; and that nothing herein contained shall require TWA to accede to demands of labor unions or to demands of its employees which it considers unreasonable.

14. Viking shall assume full responsibility for any negligence, act or omission in or about the Subleased Premises. Viking shall defend, indemnify and hold harmless TWA, the Main Lessor, and its or their employees and agents from and against any and all losses, claims, suits, damages, costs, expenses and liabilities attributable to any negligence, act or omission of Viking, its officers, employees, agents, representatives, servants, customers, contractors, subcontractors, licensees, invitees, assignees, sublessees, and suppliers in the use or occupancy of the Subleased Premises.

15. Viking shall defend, indemnify and hold harmless TWA and the Main Lessor from and against any taxes, assessments, liens of any kind, surcharges, etc., levied by any governmental agency or through any procedure of law in connection with the occupancy and use of the Subleased Premises by Viking or with Viking's business operations or equipment on the premises.

16. No waiver of, or election by TWA to disregard, a default on the part of Viking shall act to prohibit TWA from exercising its rights under this Sublease in the event of subsequent or continuing defaults by Viking. No termination of this Sublease shall affect any rights or obligations accrued as of the date of such termination.

17. Viking shall promptly surrender and vacate the Subleased Premises upon the termination of this Sublease. Personal property of Viking left in or about the Subleased Premises upon termination of this Sublease shall be deemed adandoned and TWA shall have the right to use or dispose of such property as it sees fit.

18. All notices to TWA hereunder shall be in writing and sent by certified mail, postage prepaid, addressed to Secretary, TWA, 605 Third Avenue, New York, New York 10016, with a duplicate copy similarly mailed addressed to General Manager—Cargo Sales and Services, TWA, O'Hare International Airport, P.O. Box 66074, Chicago, Illinois 60666, or to such other address as TWA may designate from time to time. All notices to Viking hereunder shall be in writing and sent by certified mail, postage prepaid, addressed to Viking International Airlines, Inc., 7000 34th Avenue South, Minneapolis, Minnesota 55450, or to such other address as Viking may designate from time to time by notice in writing to TWA.

19. Viking shall not assign this Sublease and its rights hereunder, in whole or in part, or sublease, or permit others to use, in whole or in part, the Subleased Premises without the prior written consent in each instance of TWA and the Main Lessor.

20. This Sublease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois, and is subject to the approval of the Main Lessor. If the Main Lessor should refuse to give its approval, the provisions of the Sublease shall terminate on the date of such refusal, and from and after the date of termination no further liabilities will accrue between the parties, except that such termination shall not affect liabilities accrued prior to the date of termination.

In Witness Whereof, the parties hereto have caused this Sublease to be duly executed as of the day and year first above written.

SPONSOR ASSURANCES

17. These covenants shall become effective upon acceptance by the Sponsor of an offer of Federal aid for the Project or any portion thereof, made by the FAA and shall constitute a part of the Grant Agreement thus formed. These covenants shall remain in full force and effect throughout the useful life of the facilities developed under this Project, but in any event not to exceed twenty (20) years from the date of said acceptance of an offer of Federal aid for the Project. However, these limitations on the duration of the covenants do not apply to the covenant against exclusive rights. Any breach of these covenants on the part of the Sponsor may result in the suspension or termination of, or refusal to grant Federal assistance under, FAA administered programs, or such other action which may be necessary to enforce the rights of the United States under this agreement.

18. The Sponsor will operate the Airport as such for the use and benefit of the public. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically agrees that it will keep the Airport open to all types, kinds, and classes of aeronautical use on fair and reasonable terms without discrimination between such types, kinds, and classes. Provided; That the Sponsor may establish such fair, equal, and not unjustly discriminatory conditions to be met by all users of the Airport as may be necessary for the safe and efficient operation of the Airport; And Provided Further, That the Sponsor may prohibit or limit any given type, kind, or class of aeronautical use of the Airport if such action is necessary for the safe operation of the Airport or necessary to serve the civil aviation needs of the public.

19. The Sponsor—

a. Will not grant or permit any exclusive right forbidden by Section 303(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1349(a)) at the Airport, or at any other airport now owned or controlled by it;

b. Agrees that, in furtherance of the policy of the FAA under this covenant, unless authorized by the Administrator, it will not, either directly or indirectly, grant or permit any person, firm or corporation the exclusive right at the Airport, or at any other airport now owned or controlled by it, to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity.

c. Agrees that it will terminate any existing exclusive right to engage in the sale of gasoline or oil, or both, granted before July 17, 1962, at such an airport, at the earliest renewal, cancellation, or expiration date applicable to the agreement that established the exclusive right; and

d. Agrees that it will terminate any other exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under the Airport and Airway Development Act.

20. The Sponsor agrees that it will operate the Airport for the use and benefit of the public, on fair and reasonable terms, and without unjust discrimination. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically covenants and agrees:

a. That in its operation and the operation of all facilities on the Airport, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed, or national origin in the use of any of the facilities provided for the public on the Airport.

b. That in any agreement, contract, lease, or other arrangement under which a right or privilege at the Airport is granted to any person, firm, or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the Airport, the Sponsor will insert and enforce provisions requiring the contractor:

(1) to furnish said service on a fair, equal, and not unjustly discriminatory basis to all users thereof, and

(2) to charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; Provided, That the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

c. That it will not exercise or grant any right or privilege which would operate to prevent any person, firm or corporation operating aircraft on the Airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance and repair) that it may choose to perform.

d. In the event the Sponsor itself exercises any of the rights and privileges referred to in subsection b, the services involved will be provided on the same conditions as would apply to the furnishing of such services by contractors or concessionaires of the Sponsor under the provisions of such subsection b.

21. Nothing contained herein shall be construed to prohibit the granting or exercise of an exclusive right for the furnishing of nonaviation products and supplies or any service of a nonaeronautical nature or to obligate the Sponsor to furnish any particular nonaeronautical service at the Airport.

22. The Sponsor will operate and maintain in a safe and serviceable condition the Airport and all facilities thereon and connected therewith which are necessary to serve the aeronautical users of the Airport other than facilities owned or controlled by the United States, and will not permit any activity thereon which would interfere with its use for airport purposes: Provided, That nothing contained herein shall be construed to require that the Airport be operated for aeronautical uses during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance; And Provided Further, That nothing herein shall be construed as requiring the maintenance, repair, restoration or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the Sponsor. In furtherance of this covenant the Sponsor will have in effect at all times arrangements for:

a. Operating the airport's aeronautical facilities whenever required,

b. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions, and

c. Promptly notifying airmen of any condition affecting aeronautical use of the Airport.

23. Insofar as it is within its power and reasonable, the Sponsor will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration, or growth of any structure, tree, or other object in the approach areas of the runways of the Airport, which would constitute an obstruction to air navigation according to the criteria or standards prescribed in Section 77.23, as applied to Section 77.25, Part 77 of the Federal Aviation Regulations. In addition, the Sponsor will not erect or permit the erection of any permanent structure or facility which would interfere materially with the use, operation, or future development of the Airport, in any portion of a runway approach area in which the Sponsor has acquired, or hereafter acquires, property interests permitting it to so control the use made of the surface of the land.

24. Insofar as it is within its power and reasonable, the Sponsor will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, take action to restrict the use of land adjacent to or in the immediate vicinity of the Airport to activities and purposes compatible with normal airport operations including landing and takeoff of aircraft.

25. The Sponsor [illegible] to date at all times an airport layout plan of the Airport [illegible] wing (1) the boundaries of the Airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the Sponsor for airport purposes, and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon. Such airport layout plan and each amendment, revision, or modification thereof, shall be subject to the approval of the FAA, which approval shall be evidenced by the signature of a duly authorized representative of the FAA on the face of the airport layout plan. The Sponsor will not make or permit the making of any changes or alterations in the Airport or any of its facilities other than in conformity with the airport layout plan as so approved by the FAA, if such changes or alterations might adversely affect the safety, utility, or efficiency of the Airport.

26. All facilities of the Airport developed with Federal aid and all those usable for the landing and taking off of aircraft, will be available to the United States at all times, without charge, for use by government aircraft in common with other aircraft, except that if the use by government aircraft is substantial, a reasonable share, proportional to such use, of the cost of operating and maintaining facilities so used, may be charged. Unless otherwise determined by the FAA, or otherwise agreed to by the Sponsor and the using agency, substantial use of an airport by government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the FAA, would unduly interfere with use of the landing area by other authorized aircraft, or during any calendar month that:

a. Five (5) or more government aircraft are regularly based at the airport or on land adjacent thereto; or

b. The total number of movements (counting each landing as a movement and each takeoff as a movement) of government aircraft is 300 or more, or the gross accumulative weight of government aircraft using the Airport (the total movement of government aircraft multiplied by certified weights of such aircraft) is in excess of [illegible] million pounds.

27. Whenever so requested by the FAA, the Sponsor will furnish without cost to the Federal Government, for construction, operation, and maintenance of facilities for air traffic control activities, or weather reporting activities and communication activities related to air traffic control, such areas of land or water, or estate therein, or rights in buildings of the Sponsor as the FAA may consider necessary or desirable for construction at Federal expense of space or facilities for such purposes. The approximate amounts of areas and the nature of the property interests and/or rights so required will be set forth in the Grant Agreement relating to the Project. Such areas or any portion thereof will be made available as provided herein within 4 months after receipt of written request from the FAA.

28. The airport operator or owner will maintain a fee and rental structure for the facilities and services being provided the airport users which will make the Airport as self-sustaining as possible under the circumstances existing at the Airport, taking into account such factors as the volume of traffic and economy of collection.

29. The Sponsor will furnish the FAA with such annual or special airport financial and operational reports as may be reasonably requested. Such reports may be submitted on forms furnished by the FAA, or may be submitted in such manner as the Sponsor elects so long as the essential data are furnished. The Airport and all airport records and documents affecting the Airport, including deeds, leases, operation and use agreements, regulations, and other instruments, will be made available for inspection and audit by the Secretary and the Comptroller General of the United States, or their duly authorized representatives, upon reasonable request. The Sponsor will furnish to the FAA or to the General Accounting Office, upon request, a true copy of any such document.

30. All project accounts and records will be kept in accordance with a standard system of accounting if so prescribed by the Secretary.

31. If at any time it is determined by the FAA that there is any outstanding right or claim of right in or to the Airport property, other than those set forth in Part II, paragraphs 7(a), 7(b), and 7(c), the existence of which creates an undue risk of interference with the operation of the Airport or the performance of the covenants of this Part, the Sponsor will acquire, extinguish, or modify such right or claim of right in a manner acceptable to the FAA.

32. The Sponsor will [illegible] any transaction which would operate to deprive it [illegible] the rights and powers necessary to perform any [illegible] the covenants made herein, unless by such tran[illegible] obligation to perform all such covenants is assumed by [illegible] public agency found by the FAA to be eligible under the [illegible] and Regulations to assume such obligations and having the power, authority, and financial resources to carry out all such obligations. If an arrangement is made for management or operation of the Airport by any agency or person other than the Sponsor or an employee of the Sponsor, the Sponsor will reserve sufficient rights and authority to insure that the Airport will be operated and maintained in accordance with the Act, the Regulations, and these covenants.

33. Unless the context otherwise requires, all terms used in these covenants which are defined in the Act and the Regulations shall have the meanings assigned to them therein.

REGULAR ORDER OF BUSINESS RESUMED.

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Placed on File—MAYOR'S COMMUNICATION CONCERNING PREPAYMENT OF $75 MILLION IN CITY LOANS.

Honorable Jane M. Byrne, Mayor, submitted the following communication, which was *Placed on File:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

October 16, 1980.

To the Honorable Members of the Chicago City Council:

I am pleased and proud to inform you that the City of Chicago will immediately prepay a total of $75 million in loans extended by Chicago and New York banks.

On August 22, with the aproval of a majority of the members of the City Council, the City of Chicago utilized a $25 million revolving credit line established with local banks.

On September 12, again with the approval of a majority of the members of the City Council, the City of Chicago borrowed $50 million from a consortium of banks, headed by Continental Illinois National Bank and Trust Company.

The use of the $25 million credit line was supplemented by the $50 million loan to guarantee complete and timely payments by the City of Chicago to vendors, social agencies and other contractors. This was accomplished despite a 55-day delay in the collection of property taxes.

The credit line is being repaid 37 days before its due date of November 21, and the loan is being prepaid 45 days before its due date of November 30.

Both transactions were fixed at 60 per cent of the prime lending rate at the time of draw down.

With the repayment of the credit line and the prepayment of the tax anticipation loan, the City of Chicago will have a cash balance of $105 million.

Very truly yours,
(Signed) JANE M. BYRNE,
Mayor.

That in order to promote the general welfare of the Issuer and its inhabitants by relieving conditions of unemployment and encouraging the increase of industry, the Project shall be and is hereby authorized to be financed as described herein. The estimated cost of the acquisition, installation and construction of the Project is not less than $700,000, of which $625,000 will be provided by the issuance of the Bond hereinafter authorized and the loan of the proceeds thereof to the Company. It is hereby found and declared that the financing of the Project and the use thereof by the Company as hereinafter provided is necessary to accomplish the public purposes described in the preamble hereto, and that in order to secure the Bond, the assignment and pledge to the Bank of all right, title and interest of the Issuer in and to the Agreement and the Note (and any right, title or interest of the Issuer in and to the Mortgage and the Premises) and the mortgaging of the Premises by the Company to the Bank are necessary and proper.

Authorization and Payment of Bonds.

SECTION 3. That for the purpose of financing a portion of the cost of the Project there shall be and there is hereby authorized to be issued by the Issuer its Industrial Revenue Bond, Series 1980 (Seedburo Equipment Company Project), in the principal amount of $625,000, dated the date of its delivery, lettered R and numbered 1, payable to the order of The First National Bank of Chicago, or its assigns, maturing in 60 consecutive equal quarterly principal installments of The First National Bank of Chicago, or its assigns, maturing in 60 consecutive quarterly principal installments consisting of (i) 59 consecutive equal quarterly principal installments of $10,416.67, payable on February 1, 1981, and on the first day of each February, May, August and November thereafter to and including August 1, 1995, and (ii) a final quarterly principal installment of $10,416.47, payable on November 1, 1995, and bearing interest from the date of the Bond on the unpaid principal balance thereof at the rate of seventy-five percent (75%) of the Corporate Base Rate, changing as and when the Corporate Base Rate changes, payable on February 1, 1981, and on the first day of each February, May, August and November thereafter until paid, except as the provisions hereinafter set forth with respect to redemption prior to maturity may become applicable thereto. Interest shall be computed on the basis of a calendar year of 365 days and charged on a daily basis.

The principal installments of and interest on the Bond shall be payable to The First National Bank of Chicago or its assigns in lawful money of the United States of America at the principal office of the Bank in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of each principal installment (whether at maturity or upon redemption or acceleration) and interest then being paid and of principal installments (whether at maturity or upon redemption or acceleration) and interest theretofore paid and not yet noted thereon and, upon request of the Company or the Issuer, the Bond shall be made available by the holder for inspection by the Company or the Issuer at the principal office of the Bank in the City of Chicago, Illinois. At least annually, the Bank shall notify the Issuer of the payment of the principal installments of the Bond (whether at maturity or upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Bond.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note and a mortgage on and security interest in the Premises in favor of the Bank pursuant to the Mortgage, and shall be payable solely from the revenues and receipts derived from the Agreement and the Note (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a change against their general taxing powers, within the meaning of any constitutional or statutory provision, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note (except as stated aforesaid).

The principal installments of the Bond shall be subject to redemption prior to maturity if the Company exercises its option to prepay the Note or a portion thereof pursuant to Section 7.1 of the Agreement, on any interest payment date, in whole, or in part by installment in the inverse order of maturity of the principal installments of the Bond, at a redemption price of par plus accrued interest to the date fixed for redemption and without premium.

Upon the receipt by the Issuer and the Bank of at least 30 days' prior written notice from the Company specifying a date for the prior redemption of principal installments of the Bond and the principal installments thereof to be so redeemed, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the preceding paragraph. All principal installments of the Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the Bank on such date.

The Bond may be prepared in typewritten, printed or engraved form.

The Bond shall be signed by the Mayor by her manual signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the manual signature of the City Comptroller of the Issuer, and the corporate seal of the Issuer shall be affixed thereto. In case any official whose signature shall appear on the Bond shall cease to be such official before the delivery of the Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of principal (whether at maturity or upon redemption or acceleration) and interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

In any case where the date of maturity of interest on or any principal installment of the Bond or the date fixed for redemption of any principal installment or installments of the Bond shall be in the city where the principal office of the Bank is located, a Sunday or legal holiday or a day on which banking institutions are authorized by law to close, then the payment of principal installments or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, but interest on the Bond shall accrue until paid.

The Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions and the Note therein authorized, are to be sufficient to pay the principal installments of and interest on the Bond hereby authorized, and are hereby pledged and ordered paid into the Bond Fund, as specified in Section 7 hereof. The Agreement provides that the Company shall remit the required payments in repayment of the loan under the terms and conditions of the Agreement directly to the Bank for the account of the Issuer for deposit in the Bond Fund and such provision is hereby expressly approved.

Revenues; Bond Fund.

SECTION 7. The Bond (including all payments required of the Issuer hereunder) is not a general obligation of the Issuer but is a special and limited obligation secured by the Mortgage and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement and the Note as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Cook County, Illinois, Bond Fund (Seedburo Equipment Company Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of and interest on the Bond or to redeem the principal installments of the Bond prior to maturity.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest paid by the purchaser of the Bond, if any; (b) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Construction Fund to the extent provided in Section 3.4 of the Agreement; (c) all payments on the Note; (d) all prepayments on the Note specified in Artcile VII of the Agreement; and (e) all other moneys received by the Bank required to be deposited in the Bond Fund under and pursuant to any of the provisions of the Agreement, the Note or the Mortgage. The Bank is authorized and directed to apply amounts available therefor in the Bond Fund to the payment when due of the principal installments of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and any other owner of the Bond to the end of fully protecting the rights and security of the Bank and any other such owner. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement and the Note (except as otherwise provided herein).

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond and the charges and expenses of the Bank, shall be paid to the Company, as provided herein and in Section 9.5 of the Agreement.

Assignment and Mortgage.

SECTION 8. As security for the due and punctual payment of the principal installments of and interest on the Bond hereby authorized, the Issuer hereby assigns and pledges to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement and the Note (except any payment made pursuant to Section 4.2(b) of the Agreement relating to the obligation of the Company to pay reasonable and necessary expenses of the Issuer, Section 5.3 of the Agreement relating to indemnification of the Issuer by the Company of Section 6.3 of the Agreement relating to the obligation of the Company to pay any attorneys' fees and expenses incurred by the Issuer upon an event default under the Agreement) and all rights and remedies of the Issuer under the Agreement and the Note to enforce payment thereof (together with any right, title or interest of the Issuer in and to the Mortgage and the Premises), and as evidence of such assignment, pledge, and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Construction Fund created pursuant to Section 5 hereof, to the Bond Fund created pursuant to Section 7 hereof, and to any other owner of the Bond, the Mayor is hereby authorized to execute the Assignment for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer.

As further security for the payment of the Note and the principal installments of and interest on the Bond, the Company will execute and deliver the Mortgage in substantially the form presented to the governing body of the Issuer, which Mortgage is hereby approved by the governing body of the Issuer, and the Company will cause the Mortgage to be recorded in the mortgage records of the office of the Recorder of Deeds of Cook County, Illinois.

Any moneys held as part of the Construction Fund created pursuant to Section 5 hereof and the Bond Fund created pursuant to Section 7 hereof, may be invested or reinvested on the direction of the Authorized Company Representatives, in accordance with the provisions of Section 3.5 of the Agreement. Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the fund for which the investment was made, and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such funds, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Authorized Company Representative may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain covenants with the Issuer in Section 3.6 of the Agreement, and the Company will make certain certifications and representations with respect to Section 103(c) of the Code on the date of delivery of the Bond which the Issuer shall accept and adopt, and the Issuer, acting in reliance on such covenants, certifications and representations, hereby covenants with the purchaser and the owner of the Bond that so long as any principal installment of the Bond remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13, Section 1.103-14 and Section 1.103-15 of the Internal Revenue Service Rules and Regulations (26 C.F.R., Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.

Whereas, On December 20, 1967 the City Council of the City approved the Madison Canal Redevelopment Plan and on June 19, 1968 the City Council of the City approved the Department of Urban Renewal Plan for the sale and disposition of all land in the slum and blighted area redevelopment project designated therein as the "Madison-Canal Project"; and

Whereas, The City has established a program to provide for the issuance of revenue bonds to finance and provide funds needed in whole or in part for the costs of providing decent, safe and sanitary housing and to revitalize blighted urban areas; and

Whereas, The City has determined that its housing program will (1) provide for and promote the public health and welfare; (2) relieve conditions of unemployment and encourage the increase of commercial activities of the City, so as to reduce the evils attendant upon unemployment; (3) provide for efficient, well planned urban growth and development; (4) provide for the elimination of slum areas and urban blight and (5) preserve and increase the City's ad valorem tax base; and

Whereas, There is a shortage of decent, safe and sanitary rental housing within the City and a need to provide rental housing within the City; and

Whereas, Private enterprise and investment have been unable, without assistance, to provide the needed decent, safe and sanitary rental housing or to provide sufficient mortgage financing at reasonable rates for such rental housing; and

Whereas, On July 11 1979 the City Council of the City preliminarily approved the issuance of revenue bonds to assist in financing a residential development to be located in the area bounded by Clinton Street on the east, Monroe Street on the south. Desplaines Street on the west and Madison Street on the north and the two blocks bounded by Desplaines Street on the east, Monroe Street on the South, the Kennedy Expressway on the west and Washington Boulevard on the north, which project is expected to provide approximately 3300 rental units (the "Project"); and

Whereas, There is a need to revitalize the area where the Project is located in order to preserve and increase the City's ad valorem tax base and encourage further development within the area; and

Whereas, The City and Presidential Towers, Ltd., an Illinois limited partnership (the "Developer") have entered into a certain Contract for the Sale and Redevelpoment of Land dated May 30, 1980 pursuant to which the Developer has agreed, under certain conditions, to purchase land located within the area of the Project, the sale of such land having been approved by the City Council on April 16, 1980; and

Whereas, On June 27, 1980 the City Council of the City adopted an ordinance designating the area where the Project will be located as a Residential-Business Planned Development under the Chicago Zoning Code and providing a Plan of Development for the Project; and

Whereas, The first phase of the Project is a residential development to be located in the two block area bounded by Clinton Street on the east, Monroe Street on the south, Desplaines Street on the west and Madison Street on the north, which development is expected to provide approximately 2,300 rental units (the "Development"); and

Whereas, It is proposed that the Trustee (as hereinafter defined) enter into a Building Loan Agreement pursuant to which the Trustee, as the mortgagee of record, shall lend the Mortgagor a sum sufficient, together with other moneys of the Mortgagor, to accomplish the acquisition of land and construction of the Development, and the City is willing to issue its revenue bonds to assist in financing the Development upon terms which will be sufficient to pay a portion of the cost of acquisition and construction of the Development as evidenced by such revenue bonds, all as set forth in said Building Loan Agreement and in the Developer Agreement and Indenture hereinafter referred to; and

Whereas, An application has been filed with the Federal Housing Administration (herein referred to as "FHA") of the U.S. Department of Housing and Urban Development (herein referred to as "HUD") for the insurance of a mortgage loan as to such Development under Section 220 of the National Housing Act, as amended; and

Section 2. In order to promote the general welfare of the City and its inhabitants by eliminating and preventing slum conditions and urban blight and by increasing the City's ad valorem tax base, the Development is authorized to be financed as described herein. A portion of the total estimated cost of the Development will be financed by the issuance of the Bonds hereinafter authorized and the loan of a portion of the proceeds thereof to the Mortgagor pursuant to the Building Loan Agreement and the Indenture. It is hereby found and declared that the financing of the Development and the use of the Development by the Mortgagor and the Developer is necessary to accomplish the public purposes described herein and in the preambles hereto, and, that in order to further secure the Bonds, the mortgaging of the Development by the Mortgagor to the Trustee, as the mortgagee of record, pursuant to the Mortgage and the assignment by the City to the Trustees of certain of its rights and interests under the Mortgage Loan pursuant to the Indenture is necessary and proper.

Section 3. For the purpose of financing a portion of the cost of the Development, the City does hereby authorize the issuance of the Bonds to be designated as follows: City of Chicago, Cook County, Illinois, Presidential Towers Housing Revenue Bonds (FHA Insured Mortgage), Series A, in the aggregate principal amount of not to exceed $170,000,000. The Bonds shall mature as provided in the Indenture, but not later than December 1, 2026, shall bear interest payable semi-annually at the coupon rate or rates specified in the Indenture not to exceed 11.00% per annum, shall be subject to redemption prior to maturity upon the terms and conditions set forth in the Indenture and shall be sold to the underwriters at a price of not less than 97% of the aggregate principal amount thereof plus accrued interest thereon from the date of the Bonds to the Closing Date (as defined in the Bond Purchase Agreement). The Mayor or the City Comptroller are hereby authorized and directed to enter into an agreement with the Representatives in order to establish, subject to the foregoing limitations, the exact interest payment dates (which shall be semi-annual), interest rates, maturities, redemption terms, and sales prices of the Bonds. In fixing the interest rates, the Mayor or the Comptroller shall take into account the then prevailing interest rates for comparable securities. The amortization of the Bonds shall be on a level debt service basis or other method of amortization consistent with the amortization of the Mortgage Note. The Bonds shall not be issued unless (1) the Bonds receive at least an "AA" rating or a provisional or conditional "AA" rating or the equivalent from one of the nationally recognized rating agencies and (2) a final commitment for insurance of the Mortgage has been obtained from FHA.

The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the United States of America, the City, the State of Illinois or any political subdivision thereof, and their issuance shall not, directly or indirectly or contingently, obligate the City or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in the Bonds or in the Indenture or the proceedings of the City authorizing the issuance of the Bonds or in this ordinance shall be construed to authorize the City to create a debt of the City or any political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. The nature of the obligation represented by the Bonds is as more fully set forth in the Indenture.

Section 5. The Bonds shall be executed on behalf of the City in the manner provided in the Indenture. If any of the officers who shall have signed or sealed any of said Bonds shall cease to be such officers of the City before the Bonds so signed and sealed shall have been actually authenticated by the Trustee or delivered by the City, such Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed or sealed such Bonds had not ceased to be such officer or officers of the City; and also any such Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of such Bonds, shall be the proper officers of the City, although at the nominal date of such Bonds any such person shall not have been such officer of the City.

Section 6. The Indenture is hereby approved in substantially the form attached hereto as Exhibit A and the Mayor or the Comptroller of the City is hereby authorized and directed to execute, acknowledge and deliver the Indenture, attested by the City Clerk or Deputy City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk or Deputy City Clerk is hereby authorized and directed to affix to the Indenture the corporate seal of the City. The Trustee, on behalf of the City, is further authorized and directed to execute the Building Loan Agreement and such other instruments, agreements and documents as may be required by HUD or FHA in connection with the Mortgage Loan or the insurance of the Mortgage.

Section 7. As security for the payment of the Mortgage Note and the principal installments of and interest on the Bonds, the Mortgagor will execute and deliver the Mortgage, which shall be insured by FHA under Section 220 of the National Housing Act and in the form approved by FHA. The Mortgagor will cause the Mortgage to be recorded in the mortgage records of the office of the Recorder of Deeds of Cook County, Illinois.

Section 8. The Bond Purchase Agreement is hereby approved in substantially the form attached hereto as Exhibit B, and the Mayor or Comptroller of the City are hereby authorized and directed upon receipt of the executed Developer Agreement to execute and deliver the Bond Purchase Agreement on behalf of the City with such changes and completions therein with respect to interest payment dates, interest rates, maturities, redemption provisions and the sales prices of the Bonds (subject to the limitations set forth in Section 3 hereof) and other matters as shall be approved by such person executing the document, such execution to constitute conclusive evidence of such approval, and the sale of the Bonds pursuant to the Bond Purchase Agreement is hereby authorized, approved and directed. The acceptance by the City of the Inducement Letter (in the form attached hereto as Exhibit C) is hereby ratified and approved.

Section 9. The Developer Agreement is hereby approved in substantially the form attached hereto as Exhibit D, and the Mayor or the Comptroller of the City is hereby authorized and directed to execute, acknowledge and deliver the Developer Agreement, attested by the City Clerk or Deputy City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk or Deputy City Clerk is hereby authorized and directed to affix to the Developer Agreement the corporate seal of the City. The proper officials of the City are further authorized to take all action necessary to cause the Developer and the Mortgagor to comply with the requirements set forth in the Developer Agreement.

Section 12. The Mayor, Comptroller, City Clerk and Deputy City Clerk for and on behalf of the City be, and each of them hereby is, authorized and directed to do any and all things necessary to effect the performance of all obligations of the City under and pursuant to this ordinance, the advancement of the Mortgage Loan, the execution and delivery of the Bonds and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this ordinance. The Mayor, Comptroller, City Clerk and Deputy City Clerk be, and they are hereby, further authorized and directed for and on behalf of the City, to execute all documents, certificates and other instruments that may be required under the terms of the Bond Purchase Agreement, the Developer Agreement or the Indenture or that may be required for the carrying out of the authority conferred by this ordinance or to evidence said authority and to exercise and otherwise take all necessary action to the full realization of the rights and purposes of the City under the Bond Purchase Agreement, the Developer Agreement and the Indenture and to discharge all of the obligations of the City hereunder and thereunder.

Section 13. If any section, paragraph, clause or provision of this ordinance shall be ruled by any court of competent jurisdiction to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof.

Congratulations Extended to St. Rita of Cascia Parish on Occasion of its Seventy-fifth Anniversary.

A proposed resolution reading as follows:

WHEREAS, Reverend James F. Green, O.S.A., a Augustinian Priest arrived in Chicago in 1905 for the purpose of establishing a parish at the invitation of Archbishop Quigley; and

WHEREAS, These Augustinian Fathers established St. Rita High School in 1906 and St. Rita Grade School in 1916. They have continuously staffed the High School and the Grammar School has been devotedly staffed by the Sisters of St. Dominic (Adrian, Michigan) since its inception, with lay teachers having been added to the faculty in more recent years; and

WHEREAS, The Marquette Manor Community on the Southwest Side of Chicago was wide open prairie on the arrival of these pioneering Augustinian Fathers in 1905. Because of the courage, ingenuity and determination of Father Green, and the original seven families of the parish, they developed this parish to the great parish it is today; and

WHEREAS, St, Rita's beloved former Pastors, Very Reverend James F. Green, O.S.A., Very Reverend Patrick H. Kehoe, O.S.A. and Very Reverend Clement C. McHale, O.S.A. aided by prominent as well as lesser known parishioners, have greatly added to the growth of the City of Chicago and the development of the great Southwest Side of this City; and

WHEREAS, These same Augustinian Fathers from St. Rita's Parish served as the "Mother Church" and founded three needed additional parishes on the South West Side of Chicago. This was done on May 16, 1908: St. Nicholas of Tolentine at Sixty-Second and Hamlin, St. Galls at 52nd and Elsdon, (now at 55th and Kedzie Avenue), and St. Clare of Monte Falco at 55th and Talman; and

WHEREAS, St. Rita parishioners have faithfully served their God, their County, the Southwest side of Chicago, as well as their fellow man by exhibiting spiritual, educational and social examples of the highest standards for these past 75 years; and

WHEREAS, The present Pastor, Very Reverend Francis P. Fenton, O.S.A. has ably carried out the former traditions of the parish as well as adding innovations to those instituted by his Augustinian Pastor predecessors, Father Fenton has served more years on the Southwest Side of Chicago than another Order or Diocesan priest in the history of the Archdiocese of Chicago; and

WHEREAS, The Religious and Lay School Faculty members are assisting Father Fenton in maintaining the Parish School's high standards of education; and

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Executive Director of the Economic Development Commission of the City of Chicago, is authorized to execute on behalf of the City of Chicago, upon the approval of the Corporation Counsel as to form and legality, a Redevelopment Agreement which in consideration of undertakings by Holco Corp. will obligate the City of Chicago to assist Holco Corp. in the acquisition of machinery and equipment for use in its manufacturing facilities located at 117th and Watkins in the City of Chicago and to provide specified public improvements and which will obligate Holco Corp. to install this equipment in these plants, such equipment having a total cost of approximately $13 million. The Executive Director of the Economic Development Commission is further authorized to execute any other documents necessary and proper to effect the terms of that Redevelopment Agreement, said Redevelopment Agreement being in substantially the following form:

Agreement made in Chicago, Illinois, this .... day of ...., 1980, between the City of Chicago ("City"), by and through the Economic Development Commission of the City of Chicago ("EDC"), having its offices at Room 2020, Two First National Plaza, Chicago, Illinois 60603, Holco Corporation, an Illinois corporation ("Holco"), having its offices at c/o Greenbaum, Wolff & Ernst, 437 Madison Avenue, New York, N.Y. 10022, and UNR Structural Tubing Works, Inc., a Delaware corporation ("UNR"), having its offices at 332 S. Michigan Avenue, Chicago, Ill., 60604.

WITNESSETH:

Whereas, the City has been awarded an Urban Development Action Grant ("UDAG Grant") pursuant to a UDAG Grant Agreement from the United States Department of Housing and Urban Development, a portion of which is in the amount of One Million Dollars ($1,000,000) to be loaned to Holco;

Whereas, Holco is the owner of record of certain real property located in Chicago, Illinois, on which a facility for the fabrication of structural tubing is presently being constructed ("Industrial Facility");

Whereas, UNR is the tenant of the Industrial Facility pursuant to a lease dated March 3, 1980 ("Lease") with Holco as Landlord for an initial term of 10 years and is having the Industrial Facility constructed for Holco as Holco's agent, and will operate and conduct the business of structural tubing fabrication;

Whereas, Holco desires to borrow said amount from the City and the City is willing, subject to and upon the terms and conditions herein set forth, to lend said amount to Holco;

Now, therefore, the parties agree as follows:

Section I. Loan.

(1) The City shall loan to Holco, and Holco shall borrow from the City, the sum of One Million Dollars ($1,000,000) on the following terms and conditions:

(i) the term of the loan shall be twenty (20) years from the initial disbursement of funds;

(ii) the principal sum will bear interest at the rate of six percent (6%) per annum which will commence to accrue from the initial disbursement of funds;

(iii) the principal sum and accrued interest will be repayable in level, semi-annual payments of principal and interest commencing July 1, 1982, except that interest accruing from initial disbursement of funds to July 1, 1982 shall be deferred, added to principal, and be amortized over the term of the loan;

(iv) payments of principal and interest received by the City shall be used solely for eligible Title I activities.

(2) Holco shall use the proceeds of said loan solely for the purchase of machinery and equipment in an amount of approximately $13,800,000 as per Section II(1) of this Agreement having a useful life of 7 years or more to be installed in the Industrial Facility.

(3) The debt of Holco to City shall be evidenced by a promissory note of Holco which shall be in form and substance acceptable to counsel for Holco and City, and shall be secured by a second lien position on not less than $10,000,000 of the machinery and equipment described at Section I(2) above, which lien shall be evidenced by a security agreement to be in form and substance acceptable to counsel for the City and Holco and shall be subordinate only to a first lien mortgage or deed of trust of LaSalle National Bank. Holco shall cause proper financing statements reflecting said lien to be filed pursuant to Article IX of the Uniform Commercial Code.

(4) Holco shall cause the debt of Holco to the City to be guaranteed by Estel N.V., a Netherlands corporation, affiliate of USEC, Inc., a Delaware corporation, parent of Holco, which guaranty shall be in form and substance acceptable to counsel for the City and Estel.

(5) The principal of the loan together with all accrued and unpaid interest shall become due and payable after appropriate notice upon Holco's sale or other disposition of the Industrial Facility [except pursuant to the Lease], Holco's refinancing of any permanent first mortgage debt on the Industrial Facility, or the entry of a decree of foreclosure of said mortgage lien on behalf of said bank.

(6) The loan proceeds shall be disbursed upon vouchers submitted by Holco, approved by an inspecting architect or engineer and verified by an official of the City. All disbursements shall be in a pro rata amount of $1.00 for every $8.25 of non-City loaned funds expended by or on behalf of Holco.

Section II. Redevelopment.

(1) UNR as agent for Holco pursuant to the Lease shall undertake to construct the Industrial Facility in accordance with the terms of the Lease and to substantially complete it by June 30, 1981. The Industrial Facility will contain approximately 240,000 square feet and cost approximately $12,950,000. Holco by its agent UNR will also enter into purchase orders for machinery and equipment for the Industrial Facility in an amount of not less than $13,800,000 pursuant to the Lease, for delivery within 4 years from date of this Agreement.

(2) UNR will use its best efforts to create in the Industrial Facility within said 48 month period 411 new permanent jobs, with 41 jobs being allocated to CETA-eligible persons and 370 being allocated to minorities.

(3) The City shall complete public improvements as specified in Exhibit A, in an amount of $1,950,000.

Section III. Evidence of Financing.

Not later than October 31, 1980, Holco shall furnish City with evidence reasonably acceptable to City that LaSalle National Bank has committed to lend Holco the principal sum of not less than $25,000,000 for construction of the Industrial Facility and purchase of the machinery and equipment required by the Lease.

Section IV. Maintaining Records and Right to Inspect.

All books, records, and other documents relating directly to the receipt and disbursement of the above described loan shall be subject to the right of access by any duly authorized representative of the EDC, of the Secretary of Housing and Urban Development, or of the Comptroller General of the United States for the purposes of inspection, copy audit, and examination. Such right shall extend until completion of all close-out procedures respecting these loan funds, and until the final settlement and conclusion of all issues arising out of this loan or under this Redevelopment Agreement or the related Urban Development Action Grant Agreement.

Section V. Access to Project.

For the period set forth in Section IV, any duly authorized representative of the EDC or of the Secretary of Housing and Urban Development shall, at all reasonable times, have access to any portion of the Industrial Facility.

Section VI. No Assignment of Succession.

No transfer of loan funds by the City to Holco shall be or be deemed an assignment of UDAG Grant funds, and Holco shall neither succeed to any rights, benefits, or advantages of the City under the UDAG Grant Agreement, nor attain any rights, privileges, authorities, or interests in or under the UDAG Grant Agreement.

Section VII. Housing and Urban Development.

During the term of this Agreement, it shall not be amended in any material respect without the prior written approval of the Secretary of Housing and Urban Development. An amendment shall be deemed "material" within the meaning of said provision, if it cancels or reduces any developmental, construction, job creating, or financial obligation of Holco or of UNR by more than ten percent, (10%) or if it changes the situs or character of the Industrial Facility, or if it increases any time for performance by more than ten percent (10%), provided, that an increase in any time for performance which does not exceed thirty (30) days, shall not be deemed "material."

Section VIII. Disclaimer of Relationship.

Nothing contained in this Agreement or in the UDAG Grant Agreement nor any act of the Secretary of Housing and Urban Development or of the City, or of any of the parties, shall be deemed or construed by any of the parties or by third persons to create any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the Secretary of Housing and Urban Development.

Section IX. Time of the Essence.

Time is of the essence of this Agreement.

Section X. Certificate of Completion.

Promptly after completion by Holco and UNR of the Redevelopment Plan described above, the City will furnish Holco and UNR with appropriate instruments so certifying. The certifications by the City shall be conclusive determination of satisfaction and termination of the covenants in this Agreement with the obligations of Holco and UNR and their successors and assigns to undertake the Redevelopment Plan in accordance with the dates for the beginning and completion thereof. The certifications shall be in such form as will enable them to be recorded. If the City shall refuse or fail to provide the certifications, the City shall, within 30 days after written request by Holco or UNR, provide Holco or UNR with a written statement indicating in adequate detail how Holco or UNR has failed to complete the construction or rehabilitation of the improvements in conformity with this Agreement, or is otherwise in default and what measures or acts will be necessary in the opinion of the City for Holco or UNR to make or perform in order to obtain the certifications.

Section XI. Restrictions on Use.

During the term of the loan provided for in Section I of the Agreement, Holco shall devote the Industrial Facility solely for a commercial, manufacturing purpose.

Section XII. Mortgagees Not Obligated to Construct.

Notwithstanding any of the provisions of this Agreement, the holder of any mortgage authorized by this Agreement (including any holder who obtains title to the above premises or any part thereof as a result of foreclosure proceedings, or action in lieu thereof, but not including (a) any other party who thereafter obtains title to the premises from or through such holder, or (b) any other purchaser at foreclosure sale other than the holder of the mortgage itself), shall not be obligated by the provisions of this Agreement to complete the improvements set forth in Section II or to guarantee such completion; nor shall any covenant or any other provision be construed to so obligate such holder to devote the premises to any uses, or to construct any improvements thereon, other than those uses or improvements provided or permitted in this Agreement.

Section XIII. Enforced Delay in Performance.

Neither the City nor Holco nor UNR nor any successor in interest shall be considered in breach or default of its obligations with respect to the completion of construction of the improvements, in the event of enforced delay in the performance of such obligations due to causes beyond its control and without its fault or negligence. The time for the performance of the obligations shall be extended for the period of the enforced delay, as determined by the City, if the party seeking the extension shall request it in writing of the other party.

Section XIV. Remedies.

A. In General. Except as otherwise provided in this Agreement, in the event of any default in or breach of this Agreement or any of its terms or conditions, by any party hereto, or any successor to such party, such party (or successor) shall upon written notice from the other, proceed immediately to cure or remedy such default or breach, and, in any event, within sixty (60) days after receipt of such notice. In case such action is not taken or not diligently pursued, or if the default or breach shall not be cured or remedied within a reasonable time, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach.

B. No Waiver by Delay. Except as otherwise set forth herein, any delay by the City in instituting or prosecuting any action or proceedings or otherwise asserting its rights shall not, so long as the breach or default by another party shall be continuing, operate as a waiver of such rights or to deprive it of, or limit, such rights in any way; nor shall any waiver in fact made by the City with respect to any specific default by Holco or by UNR under this Section be considered or treated as a waiver of the rights of the City with respect to any other defaults by Holco or UNR under this Section, or with respect to the particular default except to the extent specifically waived in writing.

Section XV. Conflict of Interest; City's Representatives Not Individually Liable.

No member, official, or employee of the City shall have any personal interest, direct, or indirect, in this Agreement; nor shall any such member, official or employee participate in any decision relating to this Agreement which affects his personal interests or the interests of any corporation, partnership, or association in which he is directly or indirectly interested. No member, official, or employee of the City shall be personally liable to Holco, or to UNR or any successor in interest in the event of any default or breach by the City for any amount which may become due to Holco or UNR or their successors or assigns on any obligation under the terms of this Agreement.

Section XVI. Equal Employment Opportunity.

Holco and UNR, for themselves and their successors and assigns, agree that during the term of the loan provided for in Section I of this Agreement.

(a) They will not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin. UNR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include but not be limited to the following: employment, upgrading, demotion, transfer, recruitment, or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. UNR agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(b) UNR will in all solicitations of advertisements for employees placed by or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, or national origin.

(c) UNR as agent for Holco will include the provisions of Paragraphs (a) and (b) in every contract, and will require the inclusion of these provisions in every subcontract entered into by any of its contractors, so that such provisions will be binding upon each such contractor or subcontractor, as the case may be.

(d) Discrimination as used herein shall be interpreted in accordance with federal law as construed by court decisions. This covenant may be enforced solely by the City and solely against the party which breaches this covenant.

In Witness Whereof, the City of Chicago, Holco Corporation and UNR Structural Tubing Works, Inc. have caused this Agreement to be duly executed as of the day and year first above provided.

The following is said ordinance as passed:

WHEREAS, The City of Chicago, Illinois (the "Issuer"), is a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State of Illinois, and is authorized and empowered by the provisions of Chapter 15.2 of the Municipal Code of Chicago, Illinois (the "Enabling Ordinance"), to finance industrial development projects within the meaning of said Enabling Ordinance; and

WHEREAS, The Issuer is further authorized by the Enabling Ordinance to issue its revenue bonds payable solely from the revenues and receipts derived from such projects, and secured by a pledge of said revenues and receipts and by a mortgage on such projects, and the Enabling Ordinance provides that such revenue bonds shall have a lien on the revenues and receipts derived from such projects; and

WHEREAS, The Issuer proposes to issue and sell its $2,000,000 principal amount Industrial Development Revenue Bond, Series 1980 (Leaf Confectionery, Inc. Project) (the "Series 1980 Bond") (together with any additional bonds to be issued under Section 33 hereof the "Bonds"), in order to finance a portion of the cost of acquiring certain real property, modernizing existing facilities and purchasing new equipment for the manufacture of gum and candy products (the "Project"), and said Series 1980 Bond will be issued under, secured by and contain such terms and provisions as are set forth in this ordinance (the "Bond Ordinance"); and all of the proceeds derived from the sale of the Series 1980 Bond are to be deposited with American National Bank and Trust Company of Chicago, Chicago, Illinois, acting in its capacity as fiscal agent for the Issuer (the "Fiscal Agent"), pursuant to a certain Fiscal Agent Agreement, dated as of September 1, 1980, by and between the Fiscal Agent and the Issuer (the "Fiscal Agent Agreement"), and disbursed (i) for the payment of certain of the costs incurred in connection with the expansion, construction and equipping of the Project, and (ii) for such other purposes as are set forth herein; and

WHEREAS, As a result of negotiations between the Issuer and Leaf Confectionery, Inc., a Delaware corporation (the "Borrower"), wherein the Borrower has represented that contracts have been or will be entered into by the Borrower for the acquisition, constuction and equipping of the Project, which Project is to be owed by the Borrower and located wholly within the corporate boundaries of the Issuer, it is proposed that the Issuer enter into a certain Loan Agreement, as hereinafter defined, with the Borrower pursuant to which the Issuer will lend to the Borrower all of the proceeds derived from the sale of the Series 1980 Bond, constituting a sum represented by the Borrower to be sufficient, together with other moneys of the Borrower, to accomplish the purposes of the Enabling Ordinance, to wit: to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City; and

WHEREAS, The Borrower has represented that the cost of the Project will not be substantially less than $2,000,000, and in order to finance a portion of said cost it is necessary and advisable that provision be made for the issuance, sale and delivery of the Series 1980 Bond in the principal amount of $2,000,000, all as authorized and permitted by the Enabling Ordinance; and

WHEREAS, The Borrower has represented that the Project will create additional employment opportunities, increase the tax base, and encourage capital investment in the City of Chicago, thereby fulfilling the purposes of the Enabling Ordinance; and

WHEREAS, The Issuer proposes to sell the Series 1980 Bond upon a negotiated basis to American National Bank and Trust Company of Chicago, Chicago, Illinois acting in its capacity as bond purchaser (the "Bond Purchaser"); and

WHEREAS, The Borrower has caused to be prepared for the Issuer, and the Issuer has caused to be presented to this meeting, forms of the following instruments which the Issuer now proposes to enter into:

1. The Loan Agreement, dated as of September 1, 1980, by and between the Issuer, as lender, and the Borrower, as borrower,

2. The Pledge and Assignment, dated as of September 1, 1980, from the Issuer, as assignor, to the Bond Purchaser (and all who may at any time own any bonds of the Issuer issued hereunder or pursuant hereto), as assignee, and

3. The Fiscal Agent Agreement, dated as of September 1, 1980, by and between the Issuer, as principal, and the Fiscal Agent, as agent for the Issuer; and

WHEREAS, It appears that the instruments above referred to which are now before this meeting are in appropriate form and are appropriate instruments to be executed and delivered by the Issuer for the purposes intended; now, therefore,

Be It Ordained by the City Council of the Issuer as follows:

SECTION 1. *Definitions.* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Acquire, Construct and Equip the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be substantially less than $2,000,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition, construction and equipping of the Project by the Issuer through a loan of the proceeds derived from a sale of the Series 1980 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the Cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1980 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the Cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1980 Bond of the Issuer.

The principal of, Premium, if any, and Interest on the Bonds shall be secured by and shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Rights), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the Instruments (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the principal of, Redemption Premium, if any, and Interest on the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, Premium, if any, and Interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof.

The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to any Owner thereof, or to any duly authorized representative of said Owner, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the Instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf, on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in such year to pay the principal of, Premium, if any, and Interest on the Series 1980 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an industrial development project within the meaning of the Enabling Ordinance.

SECTION 4. *Description and Details of the Series 1980 Bond.* The Series 1980 Bond shall be issued in fully registered form in the name of the Bond Purchaser, shall be numbered R-1, and shall be in the denomination of $2,000,000. The Series 1980 Bond shall be dated the date of its issuance and delivery, and shall bear Interest on the unpaid principal balance thereof from said date at the rate of nine and one-half percent (9½%) per annum (based, for actual days elapsed, on a 360 day year).

The principal of and interest on the Series 1980 Bond shall be payable over a term of 15 years in 179 aggregate monthly installments of principal and interest in the amount of $20,884.50 and a final aggregate monthly installment of principal and interest in the amount of $20,882.07 on the dates set forth in the Schedule of Payments to be attached to and made a part of the Series 1980 Bond. Principal of and interest on the Series 1980 Bond shall be paid on the same day of each month corresponding to the day of the month on which the Series 1980 Bond was delivered to and paid for by the Bond Purchaser. Upon payment or prepayment of the principal of and interest on the Series 1980 Bond, the Owner thereof shall note such payment on the Schedule of Payments attached thereto. The Series 1980 Bond shall mature as provided in said Schedule of Payments.

The principal of the Series 1980 Bond, and any Redemption Premium and Interest thereon, shall be payable in lawful money of the United States of America at the office of the Owner thereof.

No Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor," as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. The term "Institutional Investor" as used herein means a bank, savings and loan association, insurance company or other financial institution which has a combined capital, surplus and undivided profits of at least $25,000,000. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the Borrower. Each Bond shall bear on the face thereof the legend: "No Sale, Assignment or Transfer Hereof Shall Be Effective Until Notice Thereof Shall have been Given to the Issuer and the Borrower in the Manner Required for the Giving of Notice Under Section 9.1 of the Loan Agreement. This Series 1980 Bond Shall Not Be Sold, Transferred or Assigned Except to an "Institutional Investor," as such Term is Defined in the Bond Ordinance, and then Only for the Investment Account of such Institutional Investor."

SECTION 5. *Prepayment of the Principal of the Series 1980 Bond.* The principal installments of the Series 1980 Bond, over and above the payments required to be paid on a monthly basis, shall be subject to prepayment at any time, by the Issuer at the option of the Borrower and at the option and upon the written direction of the owners of a majority in principal amount of Bonds then Outstanding on the fifth anniversary date after the date of delivery of the Series 1980 Bond to the Bond Purchaser and also on the tenth anniversary date after the delivery of the Series 1980 Bond to the Bond Purchaser, in whole or in part and if in part then in inverse order of their due dates prior to the stated maturity thereof, but only after giving the notice specified in Section 6 of this Bond Ordinance, at an amount equal to the sum of the following:

(1) an amount of money which will be sufficient to prepay all, or the appropriate portion, of the principal of the Series 1980 Bond to be redeemed, including, without limitation, all Interest to accrue to said date, and the expenses incurred or to be incurred in connection with the prepayment of the indebtedness hereunder and the prepayment of the Series 1980 Bond.

(2) an amount of money equal to the fees, charges and expenses of the Issuer, the Fiscal Agent and the Owner of the Series 1980 Bond, if any, accrued and to accrue to the prepayment date, and

(3) an amount of money sufficient to discharge all other liabilities of the Borrower accrued and to accrue to the prepayment date under the Instruments.

Upon the giving of notice to the Owner of the Series 1980 Bond at that time, all or any portion of the Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the Owner of the Series 1980 Bond at that time, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Series 1980 Bond by the Owner thereof at that time, and irrespective of any error or omission in such endorsement.

The Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as such term is defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a Determination of Taxability, the Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the Owner of the Series 1980 Bond at that time, in exchange for cancellation of the Series 1980 Bond, of its own installment note in the principal amount of the Series 1980 Bond Outstanding at that time, bearing interest at the rate then being charged by the Owner of the Series 1980 Bond at that time for secured industrial loans made to the prime customers of the Owner of the Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the Series 1980 Bond at the rate of fifteen percent (15%) per annum for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on the Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein as fully as if such installment note was the Series 1980 Bond issued under this Bond Ordinance; or

(2) at a redemption price equal to the unpaid principal amount thereof, plus accrued Interest to the redemption date, plus a Redemption Premium equal to (i) the amount necessary so that all Persons who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the principal amount of the Series 1980 Bond then Outstanding at the rate of fifteen percent (15%) per annum for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties of interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable.

Each Owner of the Series 1980 Bond (or portion thereof) at or subsequent to the time of an "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the Owner of the Series 1980 Bond (or portion thereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of the Series 1980 Bond (or portion thereof) shall have received Interest on the principal amount of the Series 1980 Bond Outstanding during the time of such ownership after the time of the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, at the rate of fifteen percent (15%) per annum for the period elapsed between the "Event of Taxability" and the date on which the principal amount of the Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such Owner of the Series 1980 Bond (or portion thereof) may have had to pay as a result of Interest on the Series 1980 Bond (or portion thereof) being deemed taxable.

Notice having been given in the manner provided in Section 6 hereof, the Series 1980 Bond or the principal portions thereof so called for redemption or prepayment pursuant to this Section shall become due and payable on the dates so designated, at the price and upon presentation and surrender thereof (or upon presentation of proof of ownership thereof satisfactory to the Borrower) at the office specified in such notice. The Series 1980 Bond shall continue to bear Interest until replaced with an installment note of the Borrower or paid, as described above.

All Bonds which have been redeemed shall be cancelled by the Issuer and delivered to the Borrower.

SECTION 6. *Notice of Prepayment.* Notice of any prepayment being made at the option of the Borrower shall be given in the name of the Issuer by the Issuer or the Borrower to the owners of the Bonds in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Notice of the exercise by the Bond Purchaser (or by the owners of a majority of the Bonds then Outstanding, as appropriate) of any option to require prepayment shall be given in the name of the Issuer by the Issuer or the Bond Purchaser (or by the owners of the majority of the Bonds then Outstanding, as appropriate) to the Borrower and the owners of all Bonds then outstanding in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Each such notice shall be mailed in a timely fashion, as provided in Section 7.4 of the Loan Agreement, and shall specify the series and numbers of the Bonds to be prepaid, unless the giving of such notice is waived in writing by the Owners of all of the Bonds to be prepaid. Such notice shall further state that payment will be made upon presentation and surrender of the Bonds to be prepaid (or upon presentation of proof of ownership thereof satisfactory to the Borrower). Notice of any prepayment as herein provided shall be given only after written notification thereof from the Borrower or the owners of a majority of the Bonds then Outstanding or the Bond Purchaser, if it then owns such a majority, as appropriate, to the Issuer has been given. Failure to give such notice by mailing or any defect therein, to the Owner of any Bond designated for prepayment shall not affect the validity of the proceedings for the prepayment of any other Bond.

SECTION 7. *Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and deliver a replacement Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bonds, such mutilated Bond shall first be surrendered to the Issuer, to whom proof of ownership of such mutilated Bond shall also be made; provided further that in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, to whom proof of ownership of such lost, stolen or destroyed Bond shall also be made; provided further that in the case of any mutilated, lost, stolen or destroyed Bond, the Issuer and the Borrower shall be provided with indemnity reasonably satisfactory to the Issuer and the Borrower. In the event that any such Bond shall have matured, instead of issuing a replacement Bond the Issuer may pay the same or cause the same to be paid without surrender thereof. The Issuer may charge the Owner of such Bond with the Issuer's reasonable fees and expenses in connection therewith. All Bonds issued in replacement of any mutilated, lost, stolen or destroyed Bond pursuant to the provisions of this Section shall bear an endorsement in substantially the following form: "This Bond has been Reissued to Replace a Mutilated, Lost, Stolen or Destroyed Bond Numbered .... and Dated ...., 19....."

SECTION 8. *Persons Treated as Owners.* The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of, Premium, if any, and Interest on any such Bond shall be made only to or upon the order of the Owner thereof, or his duly authorized legal representative, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Subject to the restrictions on transfer provided in Section 4 hereof, title to each Bond is transferable by the Owner thereof or by his attorney duly authorized in writing. Transferees shall be entitled at their request and cost to the issuance of new Bonds. Transfer of title to any Bond shall be effective only upon the giving of the notice required by Section 4 hereof.

SECTION 9. *Method of Execution of Bonds.* The Bonds shall be executed for and on behalf of the Issuer by the manual signature of its Mayor, and attested to by the manual signature of its City Clerk, with the seal of the Issuer impressed thereon.

SECTION 10. *Form of the Series 1980 Bond.* The Series 1980 Bond and the form of assignment attached thereto shall be in substantially the following form:

The issuance of this Series 1980 Bond has been duly authorized by the Issuer, and this Series 1980 Bond constitutes the entire issue known as the "Industrial Development Revenue Bond, Series 1980 (Leaf Confectionery Inc. Project)" of the Issuer in the principal amount of Two Million Dollars ($2,000,000), authorized for the purpose of financing the acquisition of certain real property as well as the modernizing of existing facilities and the purchase of new equipment for the manufacture of gum and candy products to be located within the corporate limits of the Issuer (the "Project"), and paying necessary expenses incidental thereto, so as to fulfill the purposes of the Enabling Ordinance, as hereafter defined, to wit: to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City. This Series 1980 Bond has been issued under the Bond Ordinance, as hereinafter defined, and along with the other bonds which may subsequently be issued under the provisions of the Bond Ordinance, as hereinafter defined, and any ordinance amendatory thereof or supplemental thereto (this Series 1980 Bond and such subsequent bonds being hereinafter collectively referred to as the "Bonds"), are equally and ratably secured as to principal, premium, if any, and interest pursuant to an ordinance duly adopted by the Issuer on ...., 1980 (the "Bond Ordinance"), and are additionally secured by, among other things, a certain Loan Agreement (the "Loan Agreement"), dated as of September 1, 1980, by and between the Issuer, as lender, and Leaf Confectionery, Inc., a Delaware corporation, as borrower (the "Borrower"), a certain Pledge and Assignment (the "Assignment"), dated as of September 1, 1980, from the Issuer, as assignor, to the Owners of the Bonds, as assignee, and a certain Collateral Security Agreement (the "Collateral Security Agreement"), dated as of September 1, 1980, from the Borrower, as pledgor, to the Owners of the Bonds, as pledgee. Reference is hereby made to the Bond Ordinance, the Loan Agreement, the Assignment and the Collateral Security Agreement (all of which are hereinafter collectively referred to as the "Instruments") for a description of the Project, the nature and extent of the security for the Bonds, a statement of the terms and conditions upon which the Bonds are issued and secured, the rights of the owners hereof and thereof, and the other matters set forth therein.

A loan of the proceeds of this Series 1980 Bond has been made, pursuant to the Loan Agreement, to the Borrower for the purpose of financing the Project. Pursuant to the Loan Agreement, the Borrower must pay, or cause to be paid, to the Issuer, or its assignee, such amounts as will always be sufficient in the aggregate to pay the principal of, premium, if any, and interest on the Bonds as the same mature and become due; and under the Loan Agreement, it is the obligation of the Borrower to operate and maintain the Project, or to cause the Project to be operated and maintained, in good repair, to keep it, or to cause it to be kept, properly insured, and to pay, or to cause to be paid, all taxes, assessments, depreciation charges and other charges levied or assessed against or with respect to the Project.

This Series 1980 Bond is issued under and in full compliance with the Constitution and laws of the State of Illinois, including particularly Chapter 15.2 of the Municipal Code of Chicago (the "Enabling Ordinance").

No sale, Assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor", as such term is defined in the Bond Ordinance, and then only for the Investment Account of such Institutional Investor.

Subject to the preceding paragraph, this Series 1980 Bond may be sold, transferred or assigned by the owner hereof in person, or by his attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance. Upon such sale, transfer or assignment, the purchaser, transferee or assignee hereof shall be entitled, at such purchaser's, transferee's or assignee's expense, to the issuance of a new Bond.

The Issuer may deem and treat the party in whose name this Series 1980 Bond is registered as the absolute owner hereof for the purpose of receiving payments of, or on account of, the principal hereof, premium, if any, and interest due hereon, and for all other purposes, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary, except as provided in the Bond Ordinance.

This Series 1980 Bond has been issued in fully registered form without coupons in the denomination of $2,000,000, and constitutes all of the series of the Issuer's bonds known as the "Industrial Development Revenue Bond, Series 1980 (Leaf Confectionery, Inc. Project)."

The principal installments of this Series 1980 Bond, over and above the payments required to be paid on a monthly basis, are subject to prepayment at any time, by the Issuer at the option of the Borrower, and at the option and written direction of the owners of a majority in principal amount of Bonds then Outstanding, on the fifth anniversary date after the date of delivery of the Series 1980 Bond to the Bond Purchaser and also on the tenth anniversary date after the delivery of the Series 1980 Bond to the Bond Purchaser, in whole or in part, and if in part in inverse order of their due dates prior to the stated maturity thereof, but only after giving the notice specified below, at an amount equal to the sum of the following: an amount of money which will be sufficient to redeem this Series 1980 Bond, or a portion hereof, including, without limitation, the appropriate principal amount hereof, all interest to accrue to said date, and expenses incurred or to be incurred in connection with the perpayment of the indebtedness evidenced hereby.

Upon the giving of notice to the owner hereof, as described in the fourth succeeding paragraph, all or any portion of this Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the owner of this Series 1980 Bond, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Schedule of Payments appended hereto, and irrespective of any error or omission in such endorsement.

This Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurence of a "Determination of Taxability," this Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the owner of this Series 1980 Bond at that time, in exchange for cancellation of this Series 1980 Bond, of the Borrower's own installment note in the principal amount of this Series 1980 Bond outstanding at that time, bearing interest (based, for actual days elapsed, on a 360 day year) at the rate then being charged by the owner of this Series 1980 Bond at that time for secured industrial loans made to the prime customers of the owner of this Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received interest on this Series 1980 Bond at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein, as fully as if such installment note was this Series 1980 Bond issued under the Bond Ordinance; or

(2) at a redemption price equal to the unpaid principal amount hereof, plus accrued interest to the redemption date, plus a redemption premium equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," shall have received interest on the principal amount of this Series 1980 Bond at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable.

Each owner of this Series 1980 Bond or (portion hereof) at or subsequent to the time of an "Event of Taxability" shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the owner of this Series 1980 Bond (or portion hereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of this Series 1980 Bond (or portion hereof) shall have received interest on the principal amount of this Series 1980 Bond which was outstanding during the time of such ownership after the time of the "Event of Taxability," at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of such ownership elapsed between the "Event of Taxability," and the date on which such principal amount of this Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such owner of this Series 1980 Bond (or portion hereof) may have had to pay as a result of interest on this Series 1980 Bond (or portion hereof) being deemed taxable.

The amounts referred to in the preceding three (3) paragraphs shall constitute the total compensation due any owner of this Series 1980 Bond (or portion hereof) as a result of an "Event of Taxability."

In the event any principal over and above the principal required to be paid on a monthly basis is intended to be prepaid as aforesaid, notice thereof of identifying the amount of principal to be prepaid shall be given in the name of the Issuer by the Borrower or the Issuer by mailing (by certified or registered mail, postage prepaid, return-receipt requested) a copy of the prepayment notice at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, to the owner of each Bond (or portion thereof) to be prepaid at the address furnished to the Issuer and the Borrower in writing by such owner, unless such notice is waived by the owners of all of the Bonds to be prepaid; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the prepayment of principal with respect to which no such failure has occurred. The unpaid portions of the Bonds shall continue to bear interest until paid. Payment will be made upon presentation and surrender of the Bonds to be prepaid.

Notice of the exercise by the owners of a majority in aggregate amount of the Series 1980 Bond or by the Bond Purchaser if it then owns such a majority of the option to require prepayment shall be given in the name of the Issuer to the Borrower in the manner required for the giving of notice under the Loan Agreement, as specified in Section 7.4 hereof.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default," as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the Bonds then outstanding, and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the Issuer, the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Illinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It is hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1980 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. Neither the officers of the Issuer nor any person executing the Bonds shall be personally liable on the Bonds solely by reason of the issuance thereof.

In Witness Whereof, the City of Chicago, Illinois, has caused this Series 1980 Bond to be executed in its name by the manual signature of its Mayor, and attested by the manual signature of its City Clerk, and its seal to be impressed hereon, all as of ...., 1980.

Moneys held in the Construction Fund or in any other trust fund established hereunder or pursuant hereto, upon instructions from the Authorized Borrower Representative, shall be invested by the Fiscal Agent in Permitted Investments. No investment shall be made pursuant to this Section for a period longer than the time period, determined by the Fiscal Agent, for which said moneys are not required for the purpose for which they are intended. All proceeds of, interest on and profit realized from Permitted Investments held in any trust fund shall accrue to and become a part of the appropriate trust fund, and any loss resulting from such Permitted Investments shall be charged to such trust fund and paid by the Borrower from its own funds on demand of the Fiscal Agent.

SECTION 15. *Application of the Construction Fund.* The Fiscal Agent is authorized and directed to apply the amounts on deposit in the Construction Fund to the payment or reimbursement of the Cost of the Project.

The Fiscal Agent is hereby authorized and directed to make payments and reimbursements from the Construction Fund upon a requisition submitted to the Fiscal Agent and signed by the Authorized Borrower Representative in conformance in all respects with the requirements contained in Section 3.3 of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1980 Bond until completion of the Project, as such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Construction Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amount received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such

Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner, of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the principal of, Premium, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer covenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made, or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provided herein or therein.

(d) Any Net Proceeds of condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the termination of the Loan Agreement, or any other funds intended for the purpose of paying the principal of, Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the principal of, Redemption Premiums, if any, and Interest on Bonds then subject to prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to prepay principal on the Bonds over and above the principal required to be paid on a monthly basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of this Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement or the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend to the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be affected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 28 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or principal which has not been paid according to the terms of said Bonds. The Owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default," shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the owners of a majority in aggregate principal amount of the Bonds then Outstanding may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Upon such occurrence and giving of written notice to the Borrower, the Issuer and the other Owners of Bonds then Outstanding by the representative selected by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, or (if no such representative is selected) by the Owners of a majority in principal amount of Bonds then Outstanding, such representative or (if no such representative is selected) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may, by notice in writing delivered to the Issuer, the Borrower and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then outstanding, and the Interest accrued thereon, to be due and payable immediately without presentment, demand, protest or other notice of any kind, all of which are hereby waived; and upon any such declaration the same shall become and be immediately due and payable.

The Issuer hereby grants to the Borrower full authority for the account of the Issuer to perform any covenant or obligation, the non-performance of which is alleged in any notice received by the Borrower to constitute an event of default, in the name and place of the Issuer, with full power to do any and all things and acts to the same extent as the Issuer, and perform any such things and acts with the power of substitution.

For purposes of this Section, notice shall be deemed to have been given if given in the manner required by Section 9.1 of the Loan Agreement for the giving of notices thereunder.

SECTION 23. *Foreclosure and Enforcement of Remedies.* Upon the happening and continuance of any event of default and the giving of notice to the Borrower, the other Owners of the Bonds then Outstanding, and the Issuer (as provided in Section 22 hereof) by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative), then and in every case the Owners of a majority in principal amount of the Bonds then Outstanding (or their representative) may proceed to protect and enforce the rights of all Owners of Bonds then Outstanding forthwith by such suits, actions or special proceedings in equity or at law, or proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Bonds or the Instruments, or in aid of the execution of any power granted herein, therein or in the Enabling Ordinance, or for the enforcement of any legal or equitable rights or remedies, including the sale of all or any part of the Project, subject to statutory requirements, if any, to the highest bidder, and all right, title and interest, claim and demand therein and thereto, and all right of redemption thereof, as the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall determine.

In the enforcement of any right or remedy under the Instruments or the Enabling Ordinance, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall be entitled to sue for, enforce payment on and receive any and all amounts then due and unpaid or becoming due from the Issuer to the Owners of all of the Bonds then Outstanding, for principal, Interest, Premium or otherwise under any provision of the Instruments, the Enabling Ordinance or the Bonds, with Interest on overdue payments at the rate of nine and one-half percent (9½%) per annum, together with any and all costs and expenses of collection and of all proceedings hereunder and thereunder, without prejudice to any other right or remedy of the Owners of all of the Bonds then Outstanding, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and therein, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys available for said purpose), in any manner provided by law, the moneys adjudged or decreed to be payable.

SECTION 24. *Application of Revenues and Receipts After Default.* All moneys received by the Owners of the Bonds pursuant to any right given or action taken under the provisions of this Bond Ordinance shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money, and of the expenses, liabilities and advances incurred or made by the Owners of the Bonds be applied to payment of the bonds in such manner as the Owners of all of the Bonds may determine, or in the absence of such a determination pro rata.

Whenever the principal of all of the Bonds, and the Premium, if any, and interest thereon, shall have been paid under the provisions of this Section, and all expenses and charges of the Owners of the Bonds, the Fiscal Agent and the Issuer shall have been paid, any balance remaining shall be paid to or upon the order of the Borrower.

SECTION 25. *Waivers of Events of Default; Actions by the Owners of the Bonds.* The Owners of a majority in aggregate principal amount of the Bonds then Outstanding may waive any event of default hereunder upon payment of all amounts in default, and after all other defaults have been cured. All rights of action under the Instruments or the Bonds may be enforced by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding without the production thereof at any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding shall be brought in their respective names without the necessity of joining as a party plaintiff or defendant the Issuer, and any recovery of judgment will be for the equal benefit of all of the Owners of the Bonds.

SECTION 26. *Bondowner Rights not Impaired.* Nothing contained in the Instruments shall affect or impair the right of any Owner of any Bond to the payment of the principal of, Redemption Premium, if any, and Interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, Redemption Premium, if any, and Interest on each of the Bonds to the respective Owners thereof at the time, place, from the source and in the manner, herein and in said Bonds expressed.

SECTION 27. *Effect of Discontinuance of Proceedings.* If any proceeding taken by the Owners of the Bonds on account of any event of default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners of the Bonds, then and in every such case, the Borrower, the Issuer and the Owners of the Bonds shall be restored, respectively, to their former obligations and rights hereunder.

SECTION 28. *Remedies Not Exclusive; Delay or Omission.* No remedy by the terms of the Instruments conferred upon or reserved to the Owners of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Instruments, or now or hereafter existing at law or in equity.

No delay or omission of the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding to exercise any right or power arising upon any event of default shall impair any right or power, or shall be construed to be a waiver of any such event of default or an acquiesence therein; and every power and remedy given by the Instruments to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding.

SECTION 29. *Bondowners Control Proceedings.* Subject to the provisions of the preceding Section, anything in the Instruments to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing. executed and delivered, effective upon deposit in the mail if sent by registered or certified mail, to the Issuer and the Borrower, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Instruments, and for the appointment of a receiver or any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Ordinance.

SECTION 30. *Acceleration in the Event of Default.* In the event that the principal of, Premium, if any, or Interest on the Bonds herein authorized is not paid according to the terms hereof and thereof, either on maturity, mandatory prepayment, call for redemption or the occurrence of an event of default, the Owners of a majority in aggregate principal amount of the Bonds then outstanding, may, in accordance with the provisions of Section 10 of the Assignment, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then outstanding, declare the principal of all Bonds then outstanding, to be immediately due and payable; and upon such declaration given as aforesaid, the principal of, Premium, if any, and accrued Interest on said Bonds shall immediately due and payable. This provision, however, is subject to the condition that if at any time thereafter all arrears of Interest, except Interest accrued but not due, and of principal shall have been paid in full, then in every such case, the Owners of a majority in aggregate principal amount of the Bonds then outstanding, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Oustanding, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any other event of default, or impair any rights consequent thereon.

SECTION 31. *Defeasance.* If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds, or their representatives, the principal of, Redemption Premium, if any, and Interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and this Bond Ordinance, and if all other amounts due under the Instruments are paid in full, then the pledge and assignment of any revenues and receipts from or in connection with the Project under the Instruments, and the estate and rights hereby and thereby granted, and all covenants, agreements and other obligations of the Issuer to the Owners of the Bonds, shall thereupon cease, terminate, become void and be discharged and satisfied. In such event, the Owners of the Bonds shall cancel and discharge the lien of the Instruments, and shall execute and deliver to the Issuer and the Borrower, and record in all offices appropriate therefor, all such instruments as may be appropriate to satisfy such lien and to evidence such discharge and satisfaction; and the Fiscal Agent, the Issuer and the Owners of the Bonds shall pay over and deliver to the Borrower or its order all moneys or securities held by them or their representative pursuant to this Bond Ordinance which are not required for the payment of the principal of, Redemption Premium, if any, or Interest on the Bonds not theretofore paid or redeemed and all other amounts due under this Bond Ordinance.

All Bonds paid or redeemed in full shall be returned to the Issuer for cancellation prior to their delivery to the Borrower.

SECTION 32. *Provisions Relating to the Fiscal Agent.*

(a) The Fiscal Agent shall signify its acceptance of its duties and obligations under the Instruments by it execution of the Fiscal Agent Agreement. All provisions of this Section shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Fiscal Agent under the Instruments, as fully for all intents and purposes as if this Section were contained therein.

(b) (i) The Fiscal Agent shall have no responsibility for the validity or sufficiently of the Instruments, or the security provided hereunder and thereunder, or for the due execution hereof and thereof by the Issuer and the other parties thereto, or in respect of the title to or the value of the Project, or in respect of the validity of any Bonds issued hereunder, or to see to the recording or filing of any financing statement or any other document or instrument whatsoever. The recitals, statements and representations contained in this Bond Ordinance and in the Bonds shall be construed as having been made by and on behalf of the Issuer, and not by and on behalf of the Fiscal Agent, and the Fiscal Agent does not assume any responsibility for the correctness of the same.

(ii) The Fiscal Agent shall not be liable or responsible for the failure of the Issuer to perform any act required of it by the Instruments, or for the loss of any moneys arising through the insolvency or the act, default or omission of any depository other than itself in which such moneys shall have been deposited under the Instruments. The Fiscal Agent shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with the Instruments, or for any loss resulting from any such investment. Notwithstanding any other provision contained herein or in the other Instruments, the Issuer shall not be liable or responsible for the disposition by the Fiscal Agent of the proceeds of the Bonds, provided that the Issuer shall have properly caused the same to be deposited with the Fiscal Agent. The Fiscal Agent shall not be liable in connection with the performance of its duties under the Instruments, except for its own misconduct, negligence or bad faith. The immunities and exemptions from liability of the Fiscal Agent contained herein shall extend to its directors, officers, employees and agents.

(iii) The Fiscal Agent, prior to the occurrence of an event of default hereunder, and after the curing of all events of default which may have occurred, undertakes to perform only such duties as are specified to be performed by the Fiscal Agent as set forth in the Instruments.

(c) The Fiscal Agent shall be entitled to receive and collect from the Borrower payment or reimbursement for reasonable fees for services rendered under the Instruments, and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection herewith and therewith. Before taking any action hereunder or thereunder, the Fiscal Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put, and to protect it against all liability, except liability which has resulted from its own misconduct, negligence or bad faith by reason of any action taken or omitted.

(d) The Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Instruments, upon any ordinance, resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper Person, or to have been prepared and furnished pursuant to any provision of the Instruments, or upon the written opinion of Independent Counsel, or an Independent Engineer, appraiser or accountant believed in good faith by the Fiscal Agent to be qualified in relation to the subject matter.

(e) The Fiscal Agent may resign and thereby become discharged of its duties under the Instruments by notice in writing given to the Issuer, the Owners of the Bonds and the Borrower, but such such resignation shall only take effect upon the appointment of a successor fiscal agent pursuant to subsection (f) of this Section 32.

The Fiscal Agent may be removed at any time by an instrument or concurrent instruments in writing, filed with the Fiscal Agent, the Issuer and the Borrower, and signed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding. The Fiscal Agent shall promptly give notice of its receipt of such filing to the Issuer, the Borrower and the other Owners of the Bonds.

(f) If at any time the Fiscal Agent shall resign, be removed, be dissolved or otherwise become incapable of acting in such capacity, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof or of its property shall be appointed, or if any public officer shall take charge or control of the Fiscal Agent or of its property or affairs, or if the position of Fiscal Agent shall become vacant for any other reason, the Issuer shall, upon giving notice to the Borrower and the Owners of the Bonds, appoint a successor Fiscal Agent to fill such vacancy.

(g) Any business entity into which the Fiscal Agent may be merged or converted, or with which it may be consolidated, or any business entity resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any business entity to which the Fiscal Agent may sell or transfer all or substantially all of its assets, provided such business entity shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States of America, and authorized to conduct a banking or trust business in the State, and authorized by law to perform all the duties imposed upon the Fiscal Agent by the Instruments, shall be the successor to such Fiscal Agent without the execution or filing of any paper, or the performance of any further act, except that the Issuer shall give notice of such to the Borrower and the Owners of the Bonds.

SECTION 33. *Issuance of Additional Bonds.* As long as no event of default is occurring, the Issuer, at the written request of the Borrower, subject to the prior written approval of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, which approval will not be unreasonably withheld, provided however that the prior written approval of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall not be required in the case of the issuance of Additional Bonds for the purpose of refunding any series of Bonds, and to the extent permitted by law in effect at the time thereof, shall use its best efforts to issue Additional Bonds on a parity with the Series 1980 Bond and any Additional Bonds theretofore or thereafter issued for the purposes specified in Section 3.2 of the Loan

Agreement. Before any Additional Bonds are issued, there shall be delivered to the Fiscal Agent and the Owners of the Bonds the items required as a prerequisite thereto by Section 34 hereof.

Additional Bonds shall be issued in such series and principal amounts, shall be dated, shall be numbered, shall bear interest at such rates, shall be subject to redemption at such times and prices, and shall mature in such years as the ordinance amendatory hereof and supplemental hereto authorizing the issuance thereof shall fix and determine.

SECTION 34. *Delivery of Additional Bonds.* Upon the execution and delivery in each instance of an appropriate ordinance amendatory hereof and supplemental hereto, the Issuer shall issue, execute and deliver to the purchasers thereof such Additional Bonds as hereafter in this Section 34 provided. Prior to the delivery of any Additional Bonds, there shall be filed with the Fiscal Agent and the Owners of the Bonds.

(a) A valid and effective amendment to the Loan Agreement, pursuant to Section 3.2 thereof, providing for the inclusion within the Project of any real and personal properties (or interests therein) to be acquired by purchase or construction from the proceeds of the Additional Bonds, and providing for an increase in the obligations of the Borrower under Section 4.2 of the Loan Agreement.

(b) A valid and effective amendatory or supplemental ordinance providing for the issuance of such Additional Bonds, and subjecting to the lien of the Instruments, as appropriate, any and all real estate and interests therein, and any buildings, structures, facilities, machinery, equipment, fixtures and related property, and interests therein (whether real, personal or mixed), acquired by purchase or construction from the proceeds of such Additional Bonds, and pledging and assigning the additional amounts payable under the Loan Agreement to the payment of the Bonds.

(c) A duly certified copy of a valid and effective amendatory or supplemental ordinance authorizing such amendment to the Loan Agreement and the Assignment, and the issuance of such Additional Bonds.

(d) The proceeds of such Additional Bonds shall be paid over to the Fiscal Agent and deposited to the credit of the Construction Fund as provided in Section 13 hereof (or to such other trust funds as are provided and created by the amendatory or supplemental ordinance).

(e) A certificate signed by the Authorized Borrower Representative to the effect that no event of default is occurring or will result from the issuance of such Additional Bonds.

(f) An opinion of Bond Counsel to the effect that the issuance of such Additional Bonds will not affect the tax-exempt status of all Bonds then Outstanding.

SECTION 35. *Authorization and Confirmation of the Sale of the Series 1980 Bond.* The sale of the Series 1980 Bond to the Bond Purchaser at a price of 100% of the principal amount thereof, pursuant to the form, terms and provisions of this Bond Ordinance, is hereby approved and confirmed

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, Assignment and Fiscal Agent Agreement as executed.

SECTION 37. *Execution of Other Instruments and Certificates.* The Mayor and the City Clerk, for and on behalf of the Issuer, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Instruments by the parties thereto, the performance of all obligations of the Issuer under and pursuant to the Instruments, the execution and delivery of the Bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Bond Ordinance and the other Instruments. The Mayor and the City Clerk of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, construction and equipping of the Project, and, by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledge created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its covenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedness, or issue any evidences of indebtedness other than the Bonds herein authorized secured by a lien on or pledge of such revenues and receipts (other than revenues and recepits arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular, the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and Interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto,* and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the personal property constituting a part of the Project, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. Such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details. of such filing, recording or other act, and specifying any re-recording or re-filing to be effected in the future with respect to the security interests required to be created hereby.

Nothing contained herein or in the other Instruments shall be construed as exempting the property of the Borrower or any other Person from the application of the Issuer's power of eminent domain, prohibiting the application of any law or regulation, or obviating any obligation of the Borrower or any other Person to any lawful tax or special assessment.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an industrial development project within the meaning of the Ordinance.

SECTION 46. *Covenants, Stipulations, Obligations and Agreements of the Issuer.* All covenants, stipulations, obligations and agreements of the Issuer contained in the Instruments shall be deemed to be the covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall be binding upon the Issuer and its successors from time to time, and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law; and, except as otherwise provided in this Bond Ordinance or in the other Instruments to which the Issuer is or is to be a party, all rights, powers and privileges conferred, and duties and liabilities imposed, upon the Issuer by the provisions of this Bond Ordinance or of the other Instruments shall be executed or performed by the Issuer or by such officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement contained in the other Instruments shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Issuer, nor shall any officer executing the Bonds be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 47. *Small Issue Election.* The Issuer hereby elects to have the provisions of Section 103(b)(6)(D) of the Code applied to the Series 1980 Bond approved and authorized pursuant to this Bond Ordinance, and the Mayor and the City Clerk of the Issuer are hereby authorized, empowered and directed to take any and all such further action required to implement and effectuate such election, including, without limitation, the preparation and filing of such statements or other documents as may be deemed by them to be necessary or advisable in order to comply with the procedures set forth in Section 1.103-10(b)(2)(vi) of the Regulations; and all acts heretofore taken by them in this connection are hereby ratified and confirmed.

In the event of termination, the Lessor shall be liable for all excess costs of the Government in acquiring substitute space, including but not limited to the cost of moving to such space. Indenture. The Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois.

Assignment and Mortgage

SECTION 5. As security for the due and punctual payment of the principal of and interest on the Bonds hereby authorized, the Issuer will, in the Indenture, assign and pledge to the Trustee all revenues and receipts derived by the Issuer pursuant to the Agreement and the Note (except any payment made pursuant to Section 5.3 of the Agreement relating to indemnification of the Issuer by the Owner or Section 6.3 relating to the Owner's obligation to pay any attorneys' fees and expenses incurred by the Issuer upon the Owner's default) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof.
